All announcement fees are due and payable in advance.

Taft or Teddy—it makes no difference which. Both are good fellows and either could be elected.

The people of Davie county can secure a dog law if they want one. It is up to them.

Before voting for any man for representative and Senator, ask him how he stands on good roads and a dog law.

We have received a letter saying that plate service boosting Underwood has been ordered sent us free of all charge, express prepaid. Not a thing doing, Pauline.

The Maine Democratic convention adopted a local option platform and swatted Woodrow Wilson at the same time, which is a strange thing, seeing that Wilson is against a local option man.

We talked to half a dozen Democrats the past week. Two of them were for Harmon, one for Woodrow Wilson, one for Underwood and the other one didn't know who he was for.

The merchant who advertises is the merchant who should receive your patronage. Such a merchant thinks enough of his fellow citizens to appreciate their trade and he is broad-minded and liberal-hearted to let them know it.

Billy Bryan was given a big birthday dinner last week. Some of the leaders who were present were outspoken in their opposition to Brother Woodrow. Our friend Bryan is gaining strength daily, as Simmons would say.

Davie county Woodrow Wilson Democrats are receiving cold comfort these days. Both the county Democratic sheets are running four page supplements boosting up Underwood. The Wilson treasury in this neck of the woods hasn't been located yet.

Many farmers and business men in Davie county are in favor of building good roads. We believe a bond issue could be carried in this county for good roads if the proper efforts were made by the people who are in favor of good roads instead of mud holes.

Davie may have to do some more bridge building. The bridge across the South Yadkin at Wrencher's ford was washed away during the recent flood. This bridge was built and kept up by Rowan county heretofore, but we may be asked to assist in replacing this bridge.

Mr. Tiller, the Cooleemee man who is being boosted for sheriff on the Democratic ticket by the Journal, says he is from South Carolina, and seems to be proud of the fact. It is hoped by The Record that Mr. Tiller will be nominated. We had rather defeat a South Carolinian than a native Tar Heel.

Columbus, O., March 19.—Republican county executive committee chairman, at a meeting here today adopted a resolution endorsing President Taft and renewing the pledge of the State convention of 1910, pledging Ohio's support to the President.

CLOSING IN ON OUTLAWS.

Galax, Va., Monday, 11 a. m.—Claud Swanson Allen, son of Floyd Allen, and one of those indicted for the Hillsville court house murders, has cleanly eluded all pursuers, but his uncle, Sidna Allen, and cousins, Wesley Edwards and Friel Allen, are closely pressed on the south side of the Blue Ridge and will probably be captured soon, as they have been seen and officers are in hot pursuit.
