Poor old Locke Craig. There is nothing but trouble in this world for some folks, nohow.

The weather is getting too warm to talk politics, besides, there is no money and but little honor in the business.

Who wants to represent Davie in the Legislative halls this time? Is he in favor of a dog law and good roads? If not, swat him.

To a man up a tree it doesn't appear that there is much harmony floating over either the Democratic or Republican camp just at present.

Lest some of our friends should overlook the matter, we wish to remark that they ought to do their Christmas shopping early this year.

Davie county is waking up on the good roads question. It is only a matter of time until we will have good roads throughout this entire section.

The little town of Taylorsville has just organized a building and loan association. No reason why Mocksville shouldn't organize such an association.

The editor is kept busy these days answering questions about who is the stingiest man in town, and in trying to keep the crab grass chopped out of his corn patch.

Taft, Roosevelt, Clark, Wilson, Underwood and Bryan all claim that they are going to be President. With all that bunch in the White House, a warm time could be expected.

The Lexington Dispatch and The News and Observer, two of the big Democratic papers in this State, are holding a love-feast these days. They are afflicted with Underwood-wilsonism. It don't pay to mix drinks, brethren.

Mocksville is coming to the front. Two new brick stores, a free library and a good sand-clay road to Rowan are things that every citizen of the town should be proud of. Other things we need are: More factories, a building and loan association, morning train to Charlotte and a W. R. Craig.

About eight hundred of our subscribers are gently reminded that the paper companies and ink factories are still charging us for our paper and ink. Our bills have to be met and we depend on our subscribers to help us meet them. A half dollar from each of our friends who are behind with their subscription, would be doubly appreciated just at this time. Call and see us, or send the money by mail.

We are glad that our farmers are getting well up with their work. A good crop of wheat will be harvested this month, and corn and cotton is looking fairly well. Prospects are much brighter for the farmer than they were a short while ago. The fruit crop promises to be the largest for many years, and the blackberry briars are groaning under their heavy burden. Let's forget politics and enjoy the rich blessings which are bestowed upon us daily.

Robert Page has been renominated for Congress in this district by the Democrats. Bob is a harmless fellow, having never done anything for the people down here but once—then he deserted the Democratic platform and voted with the Republicans. Of course Bob can't plow corn, cut wheat or pick cotton. He don't know how. He is a railroad magnate, owner or operator of a railroad, if he hasn't recently sold out. But Robert can draw his salary and mileage all right, and mail out free speeches that are never

read and vegetable seed that won't come up. Robert is of the classes, not the masses. We don't wish him any bad luck, but we hope he will be defeated in November. Some of the good Democrats in Davie are mighty tired of Bobby.

Clark Carries Two More.

Champ Clark has carried Montana and Arizona by large majorities, which means that Colonel Bryan's chances are growing brighter every day.

Big Fire In Salisbury.

Fire Wednesday morning destroyed the old Meroney theater in which was located the offices of the Salisbury Post, Jackson's meat market, and H. Clay Grubb's office; also a club room. The loss is about \$40,000.

Seven Persons Killed By Tornado.

Tulsa, Okla., May 28.—Seven persons were killed, three were probably fatally injured and a score or more were less seriously hurt when a tornado swept through the village of Skiatook, 18 miles northwest of Tulsa, and the neighboring farming lands and oil fields last night. The property loss is estimated at \$75,000.

Page Renominated.

Greensboro, May 28.—Democrats of the seventh North Carolina congressional district, held at Asheboro today, named the following delegates to the Baltimore convention:

Reese Blair, Troy; L. D. Robinson, Wadesboro; D. E. McIver, Sanford; T. B. Bailey, Mocksville. Delegates are uninstructed and have one-half vote each. Robert N. Page was renominated for Congress without opposition.

T. R. and Wilson Sweep State.

Newark, N. J., May 28.—3:15 a. m. One of the most sweeping victories Theodore Roosevelt has won in the primaries since he began his campaign for the Republican presidential nomination was recorded yesterday by the Republican voters of New Jersey. Indications based on incomplete returns are that Colonel Roosevelt carried every congressional district in the State as well as the State at large and that all the twenty-eight delegates New Jersey will send to Chicago will be Roosevelt men.

Governor Wilson won his own State against a strong opposition headed by his political enemies within the State and appears to have 24 of the 28 delegates, including the delegates at large.

The Junior Order at their meeting Friday night, elected the following officers for the ensuing six months: Councillor—W. I. Leach. Vice-Councillor—E. E. Hunt, Jr. Asst. Rec. Sec'y—Roy Holthouser. Good Roads Meeting.

A very enthusiastic good roads meeting was held in the court-house Monday at 11 a. m. A good sized crowd were in attendance. Speeches were made by T. V. Terrell, C. G. Bailey and others. Senator Boyden of Salisbury, was present and represented Mr. Craig, who could not be here. The remainder of the \$2,500 which is needed to build the good road from Jerusalem to this city was raised in a few minutes. The following committee was appointed to secure a civil engineer and let out contracts for building the road: W. R. Craig or his agent, T. V. Terrell, O. L. Williams, J. F. Hanes, R. B. Sanford, T. J. Byerly, W. K. Clement, C. G. Beiley. The committee met Monday afternoon. Work will begin on the road at the earliest possible moment. After the meeting, the ladies of the Civic League served luncheon to the County Commissioners and others who were prominent in the good roads movement. The luncheon was greatly enjoyed by all who were so fortunate as to be present.

Quite a number of the Boy Scouts spent last week in camp on Bear creek. The boys enjoyed themselves fine, spending much time in fishing and eating. T. M. Young was along and looked after the comfort of the boys.

Good Man Gone.

Mr. Daniel Safriet, one of Davie's best citizens, died suddenly Sunday evening, May 26, at his home near St. Matthew Lutheran church. "Uncle Daniel," as he was known, was much loved by all who knew him. Had he lived until July 20, next, he would have celebrated his 82nd birthday. He connected himself early in life with St. Matthews Lutheran church, of which he was a faithful member until death. He was in his usual health until within a few moments of his death. His pastor had called to see him during the afternoon and had just left him sitting in his chair on the porch of his home a few minutes before the end came, but was called back by cries of distress to find him in the throes of death. He will be much missed in the home, the church and the community. Funeral services were conducted by his pastor, the Rev. T. C. Parker from Society Baptist church, and his remains laid to rest in the cemetery near by, beside the grave of his first wife. HIS PASTOR.

Allen Convicted Charge of Murder

Wytheville, Va., June 1.—After deliberating two hours and a half the jury in the case of Claude Swanson Allen this afternoon found the young man guilty of murder in the second degree for the killing of Judge Thornton L. Massie, and recommended that his punishment be fixed at 15 years in the State penitentiary at Richmond. Sentence was suspended in order that the prisoner may testify in the other cases growing out of the shooting up of Carroll county court on March 14 last, when the five persons met their deaths at the hands of the Allen clan.

Remarkable Family Reunion.

Weekly Soliphone, Paragould, Ark. There was assembled in Paragould last week one of the most remarkable family gatherings that ever occurred in the city. The members of the Harkey family were congregated, and of the seven present, not half the members ever saw each other before. The oldest member of the family J. F. Harkey, of Cana, North Carolina, never saw one of his brothers and two of his sisters before and the others he had not seen in forty five years—when he parted with his brother, S. A. Harkey, of

Kevil, Ky., aged 58 at the time the family moved west. A sister, Mrs. H. L. Styers, living at Symsonia Ky., was not here, being the only one absent.

Among those present were Thomas H. Harkey of Haynesville, La., manager of a large stove mill; Mrs. Rosa Smith and daughter of Shannon, Miss.; Mrs. Nora Sears and daughter of Paduch, Ky. Mrs. T. H. Harkey and daughter, and the three sisters living in Paragould; Mrs. J. C. Crowell; Mrs. Cicero Thompson, and Mrs. Henry Foxford. Among the little people of the family are four girls, about the same size and the same age each born in a different state, one in Kentucky, one in Louisiana one in Mississippi and one in Arkansas. They are all healthy and remarkably pretty and passionately fond of their native states.

Mrs. Sears is a daughter of S. A. Harkey of Kevil, Ky., and formerly lived in Paragould.

The senior Harkeys are descended of Jesse Harkey, who was born and who lived in North Carolina until the year 1817, when he came west, leaving his oldest son, J. F. Harkey, in the Tar Heel State. He located in Kentucky, and from there the family branched out to the west and the south. Jesse Harkey died in Paragould a few years ago and is buried in Linwood cemetery.

The visiting members of the Harkey family were guests of relatives in Paragould—Mrs. John C. Crowell, Mrs. Cicero Thompson and Mrs. Foxford, by whom the visitors were entertained. The "reunion dinner" was given by Mr. and Mrs. J. C. Crowell on last Sunday. They do not call this a family reunion, as the members of the family were never before united, and if the sister in Kentucky had been present, the gathering here would have marked the occasion of the first meeting of the entire family.

The Harkeys appear prosperous, and are prominent citizens in their respective states, S. A. Harkey, of Kentucky being a prominent merchant of his town and a public

spirited citizen. J. F. Harkey is a prosperous North Carolina farmer. He and Mrs. Sears are protracting their visit, the others having returned home, except Mrs. Smith, who will remain a few days.

The party sat for photographs, one of which shows a group of the long separated brothers and sisters and the other the entire group of the brothers and sisters and their children.

[The Record is glad friend Harkey is having such a fine time in the middle West. We want to advise Bro. Harkey to be careful and not eat too many good rations, let them make him sick. EDITOR.]
