**Is Growing Better.**

(Walt Mason:) The world is growing better yearly, and will grow better right along. He is a chump, and reasons queerly, who holds that everything is wrong. The world improves, for human creatures are always trying to improve, and not because the plat form teaches by politics would make it move. "Do everything by legislation," is what the noisy statesman say, but things are done by education, by upward striving day by day.—Walt Mason.

**The Seven Articles.**

A Chicago modiste says the new women will wear just seven articles of clothing. That's getting matters to a fine point. Not counting hat, shoes, overcoat or collar, seven is man's minimum and he has to wear a union suit to make it that. We are not alluding to South Carolinians, however, where frequently the socks are dispensed with.—Houston Post.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
