Scrofula, which produced a painful inflaumation in my eyes, caused me much suffering for a number of years. By the advice of a physician I commenced taking Ayer's Sarsaparilla. After using this medicine a short time I was completely

Condensed from Bill Arp in Sunny South : Hickory (N. C.) is not much of a name for a town. Nobody would choose such a name now, but a long time ago there was an old-fashioned cross-roads tavern there with a sign swinging on a post and it said "Hickory Tavern.
