LOCAL AND PERSONAL.

The first session of Rutherford College under the new management began yesterday, the 30th, under very bright prospects.

The threshing machine of J. C. Mull & Co., under the management of Mr. H. C. Dutton, threshed in Burke county this year 12,000 bushels of wheat and 500 bushels of rice and oats.

Miss Della Stikeleather of Morganton paid a short visit yesterday to her uncle, F. Stikeleather, and her brother, F. Stikeleather, Jr., and returned to Morganton last evening. Asheville Citizen, 22nd.

Died, at her home in Chapel Hill, N. C., on Friday, August 24th, 1900, Sarah Ann Taylor, relict of Dr. Alexander Taylor, of New Bern, N. C., aged seventy-five years and nine months. Mrs. Taylor was the mother of Dr. I. M. Taylor, of Morganton.

A revival meeting has been in progress at Mt. Pleasant Methodist church, 4 1/2 miles north of town, for about two weeks conducted by Rev. Mr. Bennett, who has charge at present of the work on the Morganton circuit. The meeting has been a very successful one. The church has been greatly revived and there have been quite a number of conversions.

The following from the Raleigh Post will interest the Morganton friends of Miss Annie Page: "Miss Annie M. Page, daughter of Rev. Jesse H. Page, of the North Carolina Methodist Conference, has accepted a position in the faculty of Peace Institute as teacher of French. Miss Page has had splendid advantages, including an extended trip to Europe. The institute is to be congratulated on this addition to its able faculty." Miss Page was a resident of Morganton when her father was pastor of the Methodist church here.

The Election Over.

The election is over and THEY SAY the negro is eliminated; but be that as it may, both man and beast must depend upon the farmer for their bread and meat. To encourage this great industry, I have just perfected arrangements by which I can supply my farmer friends with the most reliable Wheat Fertilizer on the market. I am also agent for the celebrated Disc Wheat Drill, a sample of which can be seen at my store. I will keep on hand choice Tennessee Seed Wheat, perfectly clear of all filth, and from which article the finest flour in the world is made.

I am daily adding to my large stock of Family Groceries, Fancy Confections and other useful articles that I have not room here to mention.

Fair and honest dealing is my motto, and to verify this you only have to give me a trial. You will find me at the old Hogan Corner.
