

THE MOUNT AIRY NEWS.

Mount Airy, N. C., Feb. 6, 1896.

JUDICIOUS ADVERTISING

Only 23 days till spring. Jake Rowley, colored, died in this place last Saturday.

The condition of Mr. Huff remains unchanged, so we learn.

Mr. Blizard's new residence on Pine street is about completed.

See notice of meeting of stockholders of First National Bank.

The city police tell us that business is not rushing in their line.

James McMurrin has been appointed Postmaster at Hillsville, Virginia.

The sacramental meeting at the Central Methodist church was largely attended Sunday morning.

Rev. William Needham will preach at the Flat Rock school house on Sunday, the 16th inst.

Mr. W. B. Shelton, the boss carpenter, is doing some substantial work on the new furniture factory.

The farmers have been having fine seasons for preparing their tobacco for market. Heavy sales will follow.

The wet weather has materially effected out-door work during the past week for the first time in several months.

Are you going down to Winston to hear Gen. Gordon lecture on the 15th inst? It would no doubt pay you well.

Several of Mount Airy's big tobacco factories will be compelled to start up a-on in order to supply the trade with their goods. This is encouraging.

See notice of land sale, again in this paper, by Granite City Land & Improvement Co., attend the auction, buy a lot and build you a nice home of your own.

It is reported that several of the parties who fired on the revenue officers and seriously wounded Mr. Worrell in Carroll county, Va., have been arrested and jailed.

If you desire to see your town improve and build up, the laboring classes employed and receiving the cash for their work, vote for water works. It will help you and help every body else.

The receipts at the post-office in Mount Airy for the month of January show an increase over the corresponding period of last year of \$116.21. This is evidence that the town is looking up—business getting better.

Two fine mules were weighed the other day. The one belonging to Mr. James Beamer weighed 1191, the other, belonging to Mr. L. W. Rowce, weighed 1152. These were right good-sized animals to be raised in this country.

The handsome new advertisement of H. H. Cartland, Greensboro, N. C., appears in this paper to day for the first time. Every body knows Mr. Cartland and has confidence in him. As a tailor, he is up with the times. Try him.

Remember you must register if you vote, and Saturday is the only day in the week for registering voters. Voters in 1st ward will register at Gallaway & Belton's saloon; 2d ward, town hall; 3d ward, Grand warehouse; 4th ward, Globe warehouse.

It begins to look like old times at the Globe Warehouse. We imagine Mr. J. W. Ashby feels more at home there than elsewhere. Big sales every day, a thing we are anxious to see at all our warehouses, would make Mr. Ashby, as well as the rest, smile, too.

Mr. J. D. Jenkins gave a delightful fire last Friday night in honor of her charming sister, Miss Nannie Childress, of Hillsville, Va. Most of the beauty and youth of Mount Airy was present, and the time was pleasantly spent in promading and "tea-tasting."

Mr. Friel Hawks, who lives near Lanesburg, Va., had the misfortune to lose seven nice stacks of hay by fire on Saturday night last—the work of an incendiary. Mr. Hawks' brother, who lives near by, also lost his barn, and contents the same night and in the same manner.

The ground-hog put in his appearance on last Sunday, we suppose. At least that was the day in course, and he was around to be sure. The sun peeped out for a few minutes about noon, long enough for the "varmit" to see its shadow, and now we may expect rough weather for six weeks, according to "ground hog science."

The Mexican Chick Medicine Co. has had packed houses here for a week to see their performance at the tallaway opera house. The fee for admission being only ten cents, large crowds attended thousands of the opportunity to see the show. Of course the entertainments were given to draw out the people so Chick could advertise his medicine.

The following letters remaining in Mt. Airy, N. C. Post-office, Feb. 3rd, 1896, will be sent to dead letter office, if not called for within two weeks: D. B. Boman, Miss P. Ellen Boman, Miss Salvia Darn J. Miss Clara Hicks, Mrs. Francis Hodges, J. Winston Bross, Mrs. Caroline Johnston, Miss George McDougald, M. C. Post, T. J. Lowry, P. M.

A Woman Shot in Patrick County, Va.

During a fight up in Patrick county, Va., last Wednesday, Meyer Montgomery shot Mrs. N. H. Young, the ball shattering the skull above her left eye and nearly in the center of the forehead. The wound is a dangerous one and may prove fatal. Dr. E. M. Hollingsworth, of this place, was immediately summoned. He informs us that while the wound is a serious one, the woman may recover.

The Moonshiners at Work.

Every day or two we hear of a fire or something else worse, which is being charged up to moonshiners who are said to be doing these devilish things to deter people from reporting their unlawful doings. This may or may not be true, but one thing is a certain fact and it is this: There is a lot of moonshine going on that must be broken up. It would not surprise us in the least to hear any day of two or three murders over this blockade liquor business.

More Life at the Warehouses.

We are glad to note the wonderful improvement in our tobacco market. Our town has the warehouses, manufacturers and leaf dealers, and every pound of leaf tobacco raised in this and the adjoining counties should be sold in Mount Airy. Prices always average up about as well on this market as anywhere in North Carolina or Virginia. Sometimes right good men allow themselves to be persuaded away from this market with their tobacco, but it is not often that they are benefited in the transaction. Every comfort for man and beast is well provided for by our warehouses.

Boys Should Not Hang Around the Cars.

We notice that boys, white and black, often swing on to moving trains at the Mount Airy depot and jump off in a careless way. The C. E. & Y. V. Company don't allow this and hostile boys out from among the tracks and trains when they notice them. A negro boy at Winston, Charles Smith by name, lost his life Friday night monkeying with a Norfolk & Western train. Smith, with several colored boys, was stealing a ride. They caught hold of iron rods under box cars while the train was running. As the train crossed a trestle, Smith's feet slipped, throwing him on the track. He lived only ten minutes after the accident. This is a sad warning, not only to boys but to parents also.

About the Water-Works Election.

The spending of fifteen thousand dollars for labor in putting in water works at Mount Airy this year, would revive business and help all our citizens. We think everybody favors better times and would be glad to see plenty of money in circulation, and there is every reason to believe that very nearly every dollar of the fifteen thousand would go into the pockets of the laboring classes. This, then, is an enterprise the laboring people should feel an interest in and support to a man. The water works will not be worth anything to us individually, as we have no property on any of the streets upon which the mains are to be laid, but we favor the project because it will help Mount Airy and every citizen in the place. We do earnestly hope that every voter will lay aside his prejudices long enough this time to vote intelligently and for the best interests of the town in which he makes his living. Remember that an entire new registration is required, and that you cannot vote unless your name appears on the books.

Mount Airy a Live Manufacturing Town.

Speaking of furniture factories, whether or not there is money in the manufacture of furniture, etc., one would think there is if he would go down to High Point and look around a little. The tenth factory of this kind at that place has just been established. If ten furniture factories can live and do well at High Point, we think three or four could make a success of it in Mount Airy. We need one or two bucket, tub, churn and wash board factories, counting factories, wagon factories, etc., all of which would do well in this place. Our citizens are energetic and many of them have ample means to establish a manufacturing business and push it successfully. We hope the new furniture factory now being constructed by the Mt. Airy Furniture Company will put our citizens to thinking and inspire some of them to put up factories for the manufacture of brooms or something else that has a sale in all parts of the country. Mount Airy is already a great manufacturing town. We have plant tobacco factories of immense size and capacity, cigar factories, and factories for the manufacture of cheroots, smoking tobacco, plug cut, cotton and woolen goods, paint goods, blankets, warps, plaids, hosiery, linens, kerseys, cotton yarns, knitting yarn, and all kinds and styles of wagons, buggies, carts, wheelbarrows, plows, side rails, plows, plow castings, and other actual articles too numerous to mention, and every man engaged in these various manufacturing enterprises is doing well, notwithstanding the cry of hard times so frequently heard from men who do nothing themselves and appear to be in a way for fear somebody else will do something. If we had the power we would make everybody talk Mount Airy and her people and her resources and her an advanced? Our town is improving—get that in your head and keep it there. We are talking to property owners now and to men who claim that there is nothing to do.

PERSONAL MENTION.

Dr. Robinson, of Woodlawn, Va., was in town this week on business.

Mr. Wm. A. Mitchell, of The Hollow, Va., was in town this week.

Mr. H. M. Malone, of the Phoenix Insurance Co., Atlanta, Ga., is in town.

Mrs. Dr. W. S. Taylor has our thanks for a subscription to The News.

Rev. H. M. Blair held quarterly meeting at Salem church on last Sunday.

Mr. T. F. Satterfield goes South again this week to sell mules and horses and tobacco.

Miss Zella Moore, of Hillsville, Va., spent several days last week with Mrs. T. F. Satterfield.

Mr. and Mrs. J. L. Harrison, of Weirfield, are in town this week visiting Mr. Harrison's parents.

We are glad to see Mr. J. Ed Paterson on our streets again. He has been right sick for quite a while.

Miss Mary Graves Hines, who has been visiting relatives at Yanceyville, Caswell county, N. C., returned home Monday night.

Our young friends, J. M. Brinkley and T. L. Badgett, of Moser, Surry county, were in town last Thursday and gave us a pleasant call.

Mr. A. L. Jackson, of Culler, N. C., was in town Monday and renewed his subscription to this paper. His kind words encouraged us very much.

Mr. James Leak and Mr. Robert Lackey, of Francis, N. C., were in town Tuesday and sold their tobacco at Planters Warehouse at prices that pleased them.

Postal Clerk Snow was ordered to Wil. & Ham. R. P. O., last Saturday to run a few trips for Postal Clerk T. P. Johnson. Mr. Snow went down the road Sunday.

Thanks to Mr. R. H. Herring for an invitation to be present at the 61st anniversary of the Philomathean and Euclidian societies at Wake Forest College, February 14th.

The officials of the Cape Fear & Yadkin Valley Railroad, accompanied by other prominent gentlemen, came up Monday night and went over to the flat rock.

Weatherman to Hang February 14th.

Weatherman, the wife murderer, whose execution was set for last Friday at Hillsville, Va., was granted two weeks more time to prepare for his awful doom. A letter from a friend at Hillsville informs us that the Governor of Virginia has set Friday, February 14th, as the day upon which the murderer must be executed.

J. M. Brower's Land Sale.

The big land sale advertised by John M. Brower to take place the 30th January, was a success. Lots of property was disposed of, and much of it was bid off very low, but Mr. Brower expected it and is not disappointed. The following parties made purchases: Winston McKinney, mill bottom; A. L. Sparger, planning mill and 4 lots; Winston McKinney, 1 lot; Fulton Tobacco Co., 7 lots; W. Daniel, 6 lots; R. K. Marshall, 8 lots; H. Schafer, 2 lots; William McClellan, 3 lots; C. S. Simmons, 2 lots; W. C. Norman, 1 lot; Frank M. Belton, 1 lot; W. E. Cox, 1 lot.

Building Notes.

Mr. Henry Lineback is building a nice four-room cottage in the vicinity of L. W. Ashby's Sons tobacco works. The cottage also has front and back porches, and will, when completed, be a handsome and comfortable home.

Mr. Harvey Lineback has purchased from Dr. T. B. Ashby a cottage in the neighborhood above-mentioned, which is to be enlarged and improved and made into a neat home.

Mr. J. W. Dunham is purchasing the lumber and other material preparatory to the erection of a handsome residence upon the site of his present home, the work to begin at an early day.

Death of Ephraim Midkiff.

Mr. Ephraim Midkiff, an own uncle of the editor of this paper, died at his home on the 4th inst. We, at this writing, are unable to give any particulars, further than to state that his death was not unexpected. He has been in bad health for a long time and his children were aware of the fact that the end was near. He was prepared and met death bravely. He was our last uncle—our mother's brother. All who knew him regarded him as an honest, industrious, sober, upright man, respected by his neighbors. His children prepare to meet him and their sainted mother in the home beyond the river. The interment will take place at the family burying ground Wednesday.

World's Fair Medal and Diploma Awarded.

Death of Another Good Man.

It pains us to learn of the death of our old and esteemed friend and citizen, Mr. Isaac Armfield, who passed away as calmly as if going to sleep between 2 and 3 o'clock on Sunday afternoon, 2nd inst.

Mr. Armfield was in his 88th year, and died more from the weight of old age than anything else. He was a good man—everybody loved Isaac Armfield because of his nobility and pure life. He had been a consistent member of the Methodist Protestant church at Oak Grove for many long years, and his home was always his pastor's home. He raised a large and interesting family of children and taught them to lead upright and useful lives. His children all did well, and nearly all survive him. His wife and two sons, Lotan and Monroe, died several years ago.

We do not remember of forming the acquaintance of a family the members of which seemed more devoted to each other. Mr. Armfield almost as far back as we can remember was the principal pillar in Oak Grove—long years ago when God seemed to pour out the Holy Spirit upon those who worshipped at that old church. Mr. Armfield would get happy, as would also William Mitchell, John Midkiff, Samuel H. Taylor and others. God bless those days!

The funeral services were held on Tuesday at Oak Grove, Rev. H. M. Blair, the Presiding Elder, officiating.

Big trade at Joe Prather's clothing store. New styles, new goods, low prices and close attention to business suits.

G. J. Lackey's Clothing Store is the place for bargains. An excellent stock to select from and prices to suit the times. Remember the place—Blue Ridge Inn block.

This (Wednesday) is balloon day and as we write this paragraph the indications appear very promising for a big crowd to see Prof. Steele ride the air in the big balloon and descend to the earth again in his wonderful umbrella-shaped parachute.

Mr. John A. Boyden, of Perch, N. C., has a large 5-by of land advertised in this paper. These are among the finest lands in the county, and lawyer Buxton, of Winston, says the title is good. Read the advt and correspond with Mr. Boyden, if you want the finest farming lands in the country.

Yadkinville Sheaves.

To-day was the loveliest day, in every respect, that we have had this winter. It reminded us of the autumn approach of spring.

The Yadkinville Normal School is in a prosperous condition under the management of Prof. Z. H. Dixon, A. B. Principal. The school is large and its influence much larger. This town can boast of a good school which is not only performing its mission in this town but reaching out far and wide into the surrounding country, bringing in the rough, uncouth blocks of marble to be shaped into beautiful images or statues to mark the result of a persevering mind and an honest and noble man.

Stanford & Bembow are now printing the East Bend Ripple at this place and are having very good success.

Lawyer A. E. Holton, formerly of this place, has moved to Winston, where he will, no doubt, find work. Messrs. Ballard & Jones, from Greensboro, are in town renovating teachers. They are getting lots of work to do.

Schlichter John Q. Holton will attend court at Statesville next week.

One of the patients of the Christian Scientist, Mr. Bull-cks, died a few weeks after her return home. The patient, Henry Vostal, is reported to have resumed the use of medicine, which is strictly against the rules of the scientists.

Rev. Mr. Craven, pastor of the M. E. Church at this place, will start out on his circuit next Sunday; preaching at Brannon's school house on Saturday night.

Mr. J. A. Sheek who has just sold his stock of goods to Wilson & Dunnagan, and who for several years has been an honest and reliable merchant; at this place, has bought another stock and will probably put up at Center, about 3 miles from here.

The writer was sorry to hear of the murder of A. R. Crawford, of Patrick county, Va., as he was an old acquaintance of his.

Messrs. William and Richard Buxton, of near Hamptonville, N. C., were captured at McKesville last week for the supposed crime of selling liquor. William succeeded in jerking loose but Richard was held in custody and on trial bound to court under a bond of \$200.

Success to THE NEWS and your thrifty town. M. D. B. Yadkinville, N. C., Jan. 30, '96.

CERTAIN PAIN-KILLER KILLS PAIN. PAIN-KILLER THE GREAT Family Medicine of the Age.

Taken Internally, It Cures Diarrhoea, Cramp, and Pain in the Stomach, Sore Throat, Sudden Colic, Coughs, &c., &c.

Used Externally, It Cures Cuts, Bruises, Burns, Scalds, Sprains, Toothache, Pain in the Face, Neuralgia, Rheumatism, Frosted Feet.

No article ever attained to such unobscured popularity.

We give here testimony on the efficacy of the Pain-Killer. We have seen the magic effects of nothing the several pains, and know it to be a real article—Greatest of all.

A word more for pain—no family should be without it.

Nothing has yet surpassed the Pain-Killer, which is the most reliable family medicine now in use.

It is really a valuable medicine—it is used by many Physicians—Druggists—Travelers—Nurses of institutions—Hospital—Army—Navy—Ferry—Boats—Soldiers—Large bodies of men.

The trials of three white men and one negro for incendiarism at Kinston have ended in acquittal of all of the defendants. The verdict is a great surprise.

The defendants were charged with having caused many fires and great loss of property. The defendants hoped at best for a mistrial. When the verdict was announced the Judge said to the jury: "You have the consolation of knowing that you have turned loose four very guilty men."

State Senator James M. Mewborne, ex-president of the State Farmers' Alliance, was foreman of the jury.

Mr. J. T. Finley, one of North Wilkesboro's oldest and best citizens, died this week.

H. B. Ireland & Co's tobacco factory at Winston burned last Monday.

W. D. Haynes returned Friday night from Salem Chapel, Forsyth county, where he had been to erect some nice Tomstones for the late Mrs. C. C. Matthews.

If asked the question "Have you got a stomach?" it would be safe to answer "Yes." But, if you are sure of it, that is, if you ever feel any distress after eating or any pain of whatever description in the region of the stomach, digestion of organs, but it is the ordinary stomach; in other words, you have got a diseased stomach.

The stomach is a powerful muscle, and the proper remedy for a tired muscle is rest. Try the shaker Digestive Cordial, for this product not only contains digested food, which will nourish the system without any work on the part of the diseased organs, but it aids the digestion of other foods as well. You can test its value in your case for the trifling sum of 10 cents. Sample bottles at this price are carried by all druggists.

Laxol is the best medicine for children. Druggists recommend it in place of Castor Oil.

Terra Cotta stove pipe at Joyce's.

Remember that Joyce has plenty of Lime and Cement.

It begins to look like old times at Joyce's Hardware store.

When you want clean grass and clover seed, see R. T. Joyce.

Don't forget that Joyce has just received a full stock of Doors and Sash.

Get ready to paint your house early and see R. T. Joyce by all means.

For Trunks and Satchels call on J. F. Allred. A big lot just received.

J. F. Allred's is the place to buy your Clover, Timothy and Orchard Grass Seed. He sells only first-class seed.

Goose Grease will cure you of all aches and pains, or your money refunded. For man or beast. For sale by S. G. Pace, Everyman, Mt. Airy, N. C. Made by Riverside Medicine Co., Ore Hill, N. C.

Nothing like those Chattanooga Chilled Plovers; and the Subsoiler is out of sight. Every farmer should have one, and a Hillside Plow that beats the world. Be sure to see Joyce.

To the Public.

Being the local representative of Straus Bros., America's Leading Tailors, Chicago and New York, we have just received the new samples for the Spring and Summer Season, comprising all the latest novelties; will you please give us a call and examine the same. We will have no trouble to suit you as the line of goods Straus Bros. are showing this season is the most complete and varied ever gotten up. Prices lower than ever. Quality and workmanship of the highest grade. A perfect fit and satisfaction guaranteed with each order. Awaiting an early call, we beg to remain yours truly,

J. F. ALLRED, Agent.

W. H. SIMPSON, BROKER.
