Harrison Commends Cleveland.

General Harrison writes of "The Ludies' Home Journal, and his comprehensive article is outspoken and plain. He takes occasion to commend President Cleveland's movement toward establishing a more permanent consular service.

The ex-President says: "The need of a better consular service has been getting a strong hold upon the public mind. The practice has been to make frequent changes in these offices-indeed an almost complete change upon the coming in of administration of a different

LIVER REGULATOR is a Regulator of the Liver, keeps it properly at work, that your changes in the home administration ten years. There are 2,500 acres, changes in the bome administration | ten years. There are 2,500 acres, FOR THE BLOOD take SIMMONS in other countries, such as England and 150 convicts will be put at LIVER REGULATOR. It is the best blood purifier and corrector. A Town Without a Woman.

The little hamlet of Alixton, Jef ferson county, enjoys the distinction of being the only Wisconsin settlement of any size without a woman resident or inhabitant, says the Milwankee Sentinel. The village was platted a year ago, immediately settled, and named after Alice Aspinwall Metcalf, daughter of J. A. Aspinwall, one of the first settlers of the country. At present it has a "star route" mail service daily, a dry goods and grocery store, butter and cheese factory, blacksmith and repairing shop, and a resident population of perhaps a hundred men. It is known as "the town without a

woman." "Bacteria do not occur in the blood or in the tissues of a healthy living body, either of man or the lower snimals." So says the celebrated Dr. Koch. Other doctors Re say that the best medicine to render the blood perfectly pure and healthy
