

THE MOUNT AIRY NEWS.

Mount Airy, N. C., April 30, 1896.

JUDICIOUS ADVERTISING

Great many a new business... We had a fine rain Friday evening...

"All is not gold that glitters." Fact! We had a fine rain Friday evening...

Mount Airy granite will be used quite freely in the new court house at Winston.

It takes some people a long time to learn the meaning of the word "courtesy."

The citizens of Pilot Mountain have our thanks for kind favors shown us Thursday.

We will be glad when the municipal election is over. We hope our city will not suspend business, let the result be as it may.

Dr. W. S. Taylor has been called to Pilot Mountain two or three times in the past few days on professional business.

This paper has a new Monarch Bicycle that can be purchased at a reasonable figure. Let us sell you a wheel, young man.

The excitement over the city election has been up in the nineties for several days. The "storm in a teapot" will be over by this time next week.

Capt. J. O. Gragg and Mr. S. N. Allred have given very general satisfaction as policemen, and their re-appointment or continuance in their present positions, would be very pleasing to us.

The Mutual Reserve Fund Life Insurance Company has appointed Mr. W. G. Snyder, of this place, General Agent for W. N. C. Mr. Snyder has fitted up a nice office in the telephone building.

The excursion from Greensboro arrived Saturday at 11 o'clock. A fairly good crowd came up. The excursionists went out to the Flat Rock, remaining about one hour. They then left for the Pilot. After a stop of five hours they pulled out for Greensboro.

Dr. A. J. Diaz, the great Baptist missionary in Cuba, was arrested by the brutal, murderous Spaniards and thrust into prison. His release was demanded and Diaz is a free man. The Spaniards ordered Diaz to leave Cuba. The United States acted promptly in this instance, and that is just what she ought to have done.

Rev. J. B. Cheshire, D. D., Bishop of North Carolina, will preach the sermon, and Josephus Daniels, Esq., of the News and Observer, will make the address at Oak Ridge Institute this year. The commencement occurs May 17th, 18th and 19th. The school is closing a very prosperous year. There will be forty-five graduates in the various departments.

Hon. John L. McLanin, member of Congress from the Bennettville (S. C.) District, arrived at Hotel Reynolds Saturday night with his family. On Monday Mr. McLanin moved out to his farm near the Mount Airy White Sulphur Springs to spend the summer. We are glad to lay claim upon this gentleman as one of our citizens, and a large part of the time. He has a large circle of friends here who will be glad to learn that he and his estimable family are in our midst.

The citizens of Mount Airy are pushing people, but not always as discreet as they might be. Numbers of us sit down and expect to thrive, and grow if we don't boom, when we really deserve nothing. It requires much effort to succeed in this world. Success is certain if we earn it. Defeat, failure, &c., is sure to follow the man who makes his time in growing, walking the streets and idling away the precious moments God has given him to earn his living and prepare for the life to come.

The writer hopes some steps will be taken to improve the different roads leading to Mount Airy before another winter. The trade of our merchants could be doubled if two or three of the most extensively travelled roads were put in real good condition. One farmer said that it was almost impossible during the winter to get to Mt. Airy over the road he had to travel with an empty wagon. It would cost something to make much improvement, but it would be a good investment.

Kind words do not cost much. They never blister the tongue or lips. We never have heard of any mental trouble arising from this quarter. Though they do not cost much, yet they accomplish much. They make other people good natured. They also produce their own image in us. We have not yet begun to use kind words in such abundance as they ought to be used. And in this municipal election, it seems that we have almost entirely forgotten the use of kind words.

We are proud. Proud to have the privilege of calling the attention of everybody to the half-page advertisement of the McNeill Furniture Store, under The News Office. If you want the greatest bargains ever offered to the people of this section of the State, take advantage of this opportunity. See the advt. and you will find that the goods are put down at cost and the sale to continue one month. If you fail to avail yourself of these big bargains you know who to fix the blame upon. This advertisement will appear only four times. Don't wait, but make your purchases now.

Be sure to read "The Horse's Strike" in another column. Blake H. Jakemore always gets there. Elder P. D. Gold, editor of Zion's Landmark, preached at Worth's Hall on Monday night to a large congregation.

Lightning struck the back fence on Mr. J. M. Durham's premises last Friday evening. Fortunately no one was injured.

We spent an hour very pleasantly last week with our old friend, Editor W. C. Phillips, of the Pine-needle Era, Culler, N. C.

The officers of the C. F. & Y. V. Railroad, accompanied by two or three other prominent gentlemen, came up on a special train Monday.

Full line of fancy groceries, dry goods, notions, &c., on hand at W. W. Burke's. No merchant in the town has a more complete stock of general merchandise.

Buy a few pounds of M. D. Moore & Co's Bug Extirminator. You cannot afford to be without it. Send in your orders. Pamphlets and full information free.

Mr. Charlie Blakemore, who left for Roanoke, Va., three weeks ago to visit relatives and friends, has secured a position in a drug store in that city and will remain.

Drop in at Taylor & Banner's drug store and try a milk-shake—a drink that we have a mighty weakness for. Mr. C. G. Haughton is doing the "shaking" and he knows his business. Soda water, limeade, &c., all nice and cold.

The store of I. S. Hanes, of State Road, this county, was robbed on the 21st of \$75 in cash and a lot of goods. The two thieves were seen in the vicinity the evening before the robbery, and were both dressed in black and wore black hats. They were young men and very much alike. Mr. Jones offers \$25 for their arrest.

Mr. W. M. Wall will take the tax lists in Hamburg township at the following times and places: At McBride's school house, June 10; Shelton's shop, June 11; B. E. Haymore's store, June 12; Thos. M. Brower's store, June 13 and 20. If you fail to list your poll and property, the law says you are guilty of a misdemeanor.

The buggy factory of L. H. Huff will start up shortly. Mr. Huff has made arrangements with Messrs. James Choplin and R. N. Payne, of Forsyth, to conduct the business under the firm name of L. H. Huff & Co. Mr. Huff informs us that he will return to Mt. Airy when he regains his health. See special notice on this page.

Mr. W. A. Belton, Sr., an old friend of The News, gave us a call Saturday, and, in conversation with him, learned that the spirit of improvement has taken hold of a number of the citizens of his section, about two miles from here and beyond the Flat Rock. Mr. Belton mentioned, among others, the push and goodheadiness of Eli Combe, an employe of the Mount Airy Granite Company, who has built eleven dwellings, and among the number some very good houses. All these buildings are paid for and occupied. Dr. C. W. Banner and Mr. Hennis, of this place, have a number of good dwellings recently erected at the quarries.

Messrs. B. Y. Graves and W. P. Gilmer are right shifty fellows. They are great schemers, too. A few days ago we took a stroll and visited the spring where they have put in two rams, thus enabling them to supply all the water in their yards they need and lots to waste. A tunnel was made through a big hill on Col. Graves' farm, between the pond and spring, and pipes laid through the tunnel to supply water from the pond to operate the rams. These gentlemen have spent some \$250 or \$300, but it is not without profit. Mr. Gilmer says, after the pipes for the water-works are laid, he can show our town authorities how to get good, clean water at a low figure.

The Ward Meetings. The voters in First, Second, Third and Fourth Wards, assembled at their respective voting places last Thursday night and nominated one candidate from each ward for Town Commissioner, and selected delegates, ten from each ward, to the "Friday night convention" at the town hall, to nominate a candidate for Mayor and Town Commissioner-at-large.

The First Ward nominated Mr. W. E. Merritt, one of the old board. The Second Ward nominated Mr. B. F. Sparger, another member of the present board. The Third Ward nominated Mr. J. C. Hollingsworth. In the Fourth Ward the nomination of Mr. A. L. Sparger wound up the ward nominations. On Friday night the delegates appointed in the several wards finished their work by nominating Mr. R. K. Marshall for Town Commissioner-at-large, and Mr. W. A. Moore for Mayor. There will be two, if not three, tickets in the field.

Don't bolt your food. It irritates your stomach. Choose digestible food and chew it. Indigestion is a dangerous sickness. Proper care prevents it. Shaker Digestive Cordial cures it. That is the long and short of indigestion. Now, the question is: How do you get indigestion? If you have pain or discomfort after eating, headache, dizziness, nausea, offensive breath, heartburn, languor, weakness, fever, jaundice, distension, loss of appetite, irritability, constipation, etc. Yes, you have indigestion. To cure it, take Shaker Digestive Cordial. The medicinal herbs and plants of which Shaker Digestive Cordial is composed, help to digest the food in your stomach; help to strengthen your stomach. When your stomach is strong, care will keep it so. Shaker Digestive Cordial is for sale by druggists, price 10 cents to \$1.00 per bottle.

One Hundred and Twenty-Four Years Old.

It is an open question in and about Piscataway, in Middlesex county, N. J., says the New York World, whether Noah Raby has got his dates badly tangled or is in reality past one hundred and twenty-four years of age, as he says he is. But you can't trip up the old man. If he is flirting with the truth his story of facts and things commends admiration. Incredible as it may seem, however, there is actual evidence that he is not romancing. Imagine a very little and thin person, with a head that would fit a six-footer, covered with a heavy growth of white hair, whose face is nearly covered with a short gray and black beard; whose small, sightless eyes seem to look at you brightly, and whose manner of speech is alert, coherent, showing few of the weaknesses of age—that is Noah Raby. Mr. J. M. Durham, of Mt. Airy, desiring information, addressed a letter to the superintendent of the Shelton, N. J., Almshouse, and received the following reply:

"STELTON, N. J., April 21, '96.—Mr. J. M. Durham, Dear Sir: Yours just at hand. I will say that I know nothing different from his statements as regards his age (124 years). He is a remarkable man. His memory good—eighty one.

Yours very respectfully, H. G. HERMON, Supt. Almshouse.

Payne, of Forsyth county, who are first-class gentlemen and who will conduct the business to the satisfaction of all my friends who entrust them with their orders until I get able to again look after the business myself. The style of the firm is L. H. Huff & Co., and we promise to have a full set of competent workmen in every branch of the business and do good work at low prices. Any favors shown the above named gentlemen will be appreciated by me.

Thanking one and all for your kindness and patronage to me and asking a continuance of the same to the new firm, I remain Your friend, L. H. HUFF, April 23rd, 1896.

Proudly Welcomed. Headquarters United Confederate Veterans, New Orleans, La. April 22, 1896.

Mount Airy Horses on a Strike.

Not for high wages or short hours but for Blakemore's Reining and Unreining Device. A meeting was called at 9 p. m., at the stables of Harris Bros. There was a large turnout of the best stock in town. Moh-out, the splendid black stallion, from Face's stable, took the chair and called the strikers to order. The fine dappled gray of M. L. Stewart's stable acted as secretary. Miss Mollie, a beautiful brown filly of Harris' stable treasurer. The meeting was called to order and the president stated the reason why and gave the sense (hon-a sense) of the meeting. The question was asked, where are we? Answer by the whole meeting, we are here, solid, to return our thanks to Blakemore for the best friend a horse ever had, the Reining and Unreining Device. We now have a chance of getting a drink of pure (not whiskies) but pure cold water and a rest up the long hills. Therefore let it be resolved that we refuse to work for any boss that will not supply his stables with the Device. We will fight, kick, paw, run off, bust things to pieces and will take the bots and dip, for in this day of lazy drivers, who have no feeling, they will push us through the free and pure water without a drop and it is so nice for the ladies and the old folks not to have to get out of the buggy. Just pull the chain and the thing is done. We slack our thirst, pull the chain and we are reined up and go on our way rejoicing. Come Banner's Black from Greensboro rose to say a few words. His horsemanship said what is this thing I hear so much about. We at Greensboro have never heard anything of it, therefore it can't be much. One old gray laughed loud and long (horse laugh). He said the black thought that such a city as Greensboro should have heard it first. The old gray said that sleepy old town will have to wake up if she expects to keep up with Mount Airy. The black said he heard that the thunder and lightning wagons and bicycles and electric fixings was going to make the horse take a back seat, but the old gray came again and said we have been here too long and with Blakemore's Reining and Unreining Device, to make it a joy for the driver, we are going to stay and don't forget it, alone horse sense. The meeting closed by giving Blakemore three rosinng cheers and a box of axle grease to let him slide nicely into prosperity and a happy long life. So closed the most important meeting the horse ever had. So mote it be to the end. For further particulars call on or address, J. H. Blakemore, Mount Airy, N. C.
