Death Under the Snow.

News comes from Denver, Co!orado, of snow slides that have du ring the past 24 hours wrought much damage and crused at least two men to lose their lives.

Mail carrier E. J. Bell, who was furnish surveyors, also to furnish supposed to be dead, has saved hunparent, excepting his weak condition, are a few frozen toes. Bell was caught in a slide under about 25 feet of snow. Rescuing parties took off fitteen feet directly over him and gave him up for dead. He lay unconscious until about 8 o'clock Sunday morning. When his senses returned he heard water trickling. This water had brought bim aid and saved his life. He dug to the stream and then to the surface. Then he walked three miles to the nearest house and fell unconscious as soon

as he realized he was saved. James Petty was carried over a precipice with a pack train Saturday, most of the burros being killed

and himself only slightly injured. A snow slide caught the cabin of the Cleopatra mine, near Pitkin, South Ashe street. Brower was killing Martin Mertley and injuring riding on the end of a ear which sis three partners. Mertley's relatives live in Pennsylvania.

At Ophir, Col., a snow slide denolished the railroad station and trightfully, though he lived perhaps twelve freight cars. The station an hour, but while conscious most agent and his wife were in the of the time he was unable to tell omilding at the time, eating dinner. exactly how it occurred. He is Timbers fell in such a shape that the man was but slightly hurt and his wife did not receive a single provide. bruise. About as rapidly as the roads have been opened they have been closed by more slides. Was Mourned as Dead.

James C. Brown, a saitor 60 years ld, who had been given up for dead, has just returned to his family in Lynn, Mass., after an absence of nine years. Brown shipped from Boston in November, 1887, in the bark Clyde. The vessel was capsized by a storm in Madagascar harbor. The crew were rescued and returned to Madagascar, where Brown shipped for Mauritius. There he was stricken with fever and lay four months between life and death. On recovering he made two voyages between Manritius and Melbourne. The bark in which he shipped, being short handed, stopped at the Solomon islands for men, but got none, and left hastily, be cance the captain feared the natives Brown was accidently left
