## The Year Round

Some Medicines belong to one season and some to another. DR. KING'S ROYAL GERMETUER IS IN SEASON ALL THE YEAR ROUND.

IN THE SPRING It purifies the blood, removes languor

and depression, invigorates and exhila-rates the whole system. IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles result-ing from that cause.

IN THE WINTER It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that

belong to cold seasons. It does these things, not in a feeble and uncertain way, but with assured and triumphant power. Keep It in the Home at All Times.
