Cotton Milling in the South.

The industrial growth of the past ten years manufacturing credulity.

At no time has the industrial activity in the South been greater as great as right here in North Carolina. More mills are being built in the South now than at any time in her history, and in mill building the name of North Caro lina leads all the rest.

The American Cotton and Wool Reporter, presenting its semicomplaint, and annual statement of mill construction, says :

"As has been customary of regood. My friends and 202 Southern. The biggest 47 were cotton and 10 knit goods at date of execution mt'ls. South Carolina came next which 35 were cotton. Next came 10 wool, 2 knit goods and 5 mis cellaneous. It should be added that enlargements and improve ments of existing mills have been will read the report of the so-called on an extensive scale, the matrial before a United States com- chine shops being so busy that missioner at Winston of two regis- mills have been obliged to wait trars of election without indignation. six and eight months to get their

OLD INBIAN TOMB FOUND. Island Cave.

Workmen digging in Long Island City have made a peculiar find. They broke through what appears ily, or possibly the burial place of some tribe. Five bodies were found Kentucky. in the cave and one of the strangest rified or mammified. In the cenfeet in height. One leg is drawn ap while the other is out straight. there are several skulls. Everything Wounds, Piles, it's the best salve in rear, being inclined to a semi circu. found by the conductor. Another the world. Cure guaranteed. Only lar form. On a pedestal is what ap. pouch of two hundred dollars was turned to stone with two skulls sit. to the boat. ting side by side on another stone.

Theodore Roosevelt says he will resign if elected Vice-President to ernor General, Well, as he is fond number of years among the islands, he might just as well go on now-Adlai already understands the work to be done by the Vice-President, and it is about settled that he will be elected in a few months anyway, so Teddy will save the bother con-Carbuncles, which are more painful and dangerous, come most frequently on the back of the neck, eating great holes in the flesh, exhaust the strength and often prove fatal. Boths are regarded by some people as blessings, and they patiently and uncomplainingly endure the pain and inconvenience under the mistaken idea that their health is being benefitted, that their blood is too thick anyway, and this is Nature's plan of thinning it. The blood is not too rich or too thick, but is diseased—is full of poison—and unless relieved the entire system will suffer. The boil or carbuncle gives warning of serious internal troubles, which are only waiting for a favorable opportunity to develop. Janny an old sore, running ulcer, even cancer, is the result of a neglected boil.

Baneful Krep the blood pure, and it will keep the skin clear of all the irritating impurities that unuse these painful, disfiguring diseases.

S. S. cares boils and carbuncles easily and permanently by reinforcing, purifying and building up the blood and relding the system of all accumulated waste matter.

S. S. S. is made of roots and heris which act directly on the blood, and all poisons, no matter that is impacting part of any an only vegetable medicine.

S. S. S. is not a new, untried remedy, but for nected with watching the est jump. John C. Calhoun is the only Vice President to resign. Guess he did not step down and out in order to all right, but you want something that will go to the Philippine Islands to be relieve and care the more severe and danboss of the people there.
