CONGRESSMAN WILLIAM F. ALDRICH, OF ALDRICH, ALA.

Congressman William F. Aldrich, of Aldrich, Ala., in a recent letter to the Pernna Medicine Company, written from Washington, D.C., speaks of their great tonic and catarrh cure in the following words :

"This is to certify that Peruna, manufactured by The Peruna Medicine Co., of Columbus, Ohio, has been used in my family with success. It is a fine tonic and will build up a depleted system rapidly. I can recommend it to those who need a safe, reliable medicine for debility."
