HEALTHY WOMEN **Discovered** Secret Praise Pe-ru-na as a Cure and Preventative of Catarrhal Disorders.

Miss Elizabeth Uber, No. 67 Bassett street, Albany, N. Y., writes: "I have always dreaded the fall and winter because of my extreme liability to catch cold, when catarrhal trouble would quickly develop through my entire system which h would take weeks to drive away. I am thankful to say that since I have taken Peruna, I do not have any rea-son to dread this any more. Last fall when I suffered with my old trouble I took Peruna and in nine days was completely cured and since that time, If I have been at all ex-posed to the damp, wet or cold weather, I take a dose or two of Pe-runa and It throws out any hint of sickness from my system. I gladly troet, Albany, N. Y., writes: sickness from my system. I gladly indorse it."-Miss Elizabeth Uber. Mrs. Wm. Dewey, Saranao Lake, N. Y., is second cousin of Admiral Dewey.

In a recent letter she says: "Peruna is the most valuable of any remedy that I have ever used for coughs, coids, etc. I cheerfully rec-ommend it as a certain cure if used according to directions."--Mrs. Wm. Dowey.

Miss Ross Gerbing, a popular society woman of Crown Point, Ind., writest

"Last winter I took a long drive "Last winter I took a long drive in the country, and being too thingly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrb and I bought a bottle to try. I am pleased that I did for it brought speedy relief. It only took two bot-tles and I consider this money well apent.

"You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rosa Gerbing.

To neglect a cold is to invite chronic catarrh. As soon as anyone discovers the first symptoms of catching cold he hould at once begin the use of Peruna sording to directions on the bottle, and the cold is sure to pass away withont leaving any bad effects. Unless this is done the cold is almost

sure to end in the second stage of catarrh which is making so many lives miserable. If Poruna was taken every time one has a cold or cough chronic catarrh would be practically an unknown disease.

If you do not derive prompt and satisfactory results from the use of Peruna, reits at once to Dr. Hartman, giving a full statement case and he will be pleased to give you his valuation advice gratis.

We have bought an immense line of fall and winter elothing, for men and boys, and in order to clear our space before our fall goods arrive, we have decided to offer our entire line of spring and summer suits for the next 30 days at actual cost, and when we say cost we mean actual bill cost, with freight added and no more. We have some extra special values selected from four of the largest factory lines in the United States, and from these lines we selected only the cream, hence we believe we have the best that can be bought and it would be to the interest of all to see our stock before making purchases elsewhere. We must close our summer goods during the next 30 days.

We are also offering special inducements in the Heer Oxfords for ladies and Barry Oxfords for men and included in these values we have thrown our line of summer dress goods, which must be closed during the next 45 days.

Our fall stock will be a decided improvement on any line ever shown in Mt. Airy and we are very desirous of making the room necessary to handle our fall business, this alone necessitates this, the greatest clearance sale over held in Mt. Airy.

Remember also that we have the most complete line of heavy groceries carried in this section of North Carolina all of which are offered at rock bottom prices. Merchants will do well to see us and get our prices before buying.

Our Queen of Patents Flour is the best to be had and the price is below others called "the best." Every pound guaranteed. Our Red Rooster and Farmer's Choice are excellent values and will give the most skeptic entire satisfaction.

In considering our claims remember that our goods were bought for cash and all each discounts saved, which enables us to give full value received for every dollar invested with us.
