The Thrice a Week World long ago established itself in public favor, and it is now recognized as the strongest publica-tion of its kind in the United States. Adtion of its kind in the United States. Advertisers and publishers seeking clubbing combinations—and they know best—universally testify to this. It is widely circulated in every State and Territory of the Union, and even in remote South Africa and on the gold fields in the deserts of Australia. These are the things that tell. Next year we have the Presidential compaign, in which all Americans are deeply interested. Already the lastes are being interested. Already the issues are being discussed and the two great parties are preparing for the first moves. You will not want to miss any details, and if you subscribe now your year's autscription will cover the campaign from beginning to end. The Thrico-a-Week World is absolutely fair in its political news. Partisan bias is never allowed to affect, it's news columns and Democrat and Republican alike carobtain in its pages truthful accounts of all the great political contests.

In addition to all the news, the Thrice-a-Week World furnishes the best serial fiction, elaborate market reports and other
