Everything turned dark to me although I did not lose consci.

"Asheville, N. C., September 22. ing cock. Why, therefore, should he distress himself? If he wants tary to the President, Weshington, or stepped disk. able a Fanti to look like a fight hardly necessary that he should work for it, for is there not his centu most leade so hadly that it wife. He believes in a fair divisthe president said the confederate ion of labor—the wife earns the soldiers were anarchists and that living, and he consumes it. A holster, and taking careful aim strains of coarse bruvality ran hundred Fantis will do less than a dozen English navies, and do

words to that effect. Is the pres it badly without a white overse ident correctly quoted? Answer er. Under a Fanti overseer they er. Under a Fanti overseer they soon begin to shirk the work and he basking in the sun, and by and by the overseer joins them. Every burden is carried on the head. Set them to carrying stones from a heap and they will carry them one by one on their heads, walking to and fro, no matter what the distance. A contractor for some buildings at Ca ie Coast castle introduced wheelbarrows. The Fantis rose to the occasion. They carried the barrows on their heads!

#### Tried on Broughton Charges. Alany, Ga., Sept. 27 .- The

trial of Chief of Police West for the streak of coarse and brutal ing. When they came to wash me barbarism which ran through the brook on the sensational charges first preferred by Rev. Broughton of Atlanta in a sermon here No Black Face in Their School, three months ago and following Chicago, September 28.—Bewhich the preacher was cowcause of a mistaken belief that school was a negress, fifty boys

Of the seven specific charges stationed themselves as pickets preferred, the chief is found and if so I would give more to re- around the McAllister public guilty of two viz., drinking while seive word from him than I would school today and prevented pu. on duty and in uniform, visiting to be appointed a member of the pils from entering. None of the bar rooms while on duty and gers: "I'm not sure, but I it is pickets is more than 15 years of lottering in such places. The commission imposed a fine

Outside a crowd of 700 boys and of \$25 for each of these offences girls hooted and yelled at the and exhonerated him on all other charges. Of the charge of as. | cur. teachers looking from the windows of the school building. Every infant 'striker' wore a sault on the minister the commissioners said: "We find Chief Westbrook

guilty of this charge, but in our opinion the peculiar circumstances justified him as a man in purly scraps of paper with the word Union scrawled across it. The suing the course he did." others wore union buttons which

The verdict is regarded by Westbrook's friends as an exhoneration, as he was not found guily of either of the most serious charges. A feature of the trial was development of the fact that Dr. Broughton did not have affidavits to sustain his charges as he claimed to have at the time he made his pulpit atsuffered for twenty years with the Piles, Specialists were employed and many remedies used but relief and permanent good was found only in the use of DeWitt's Witch Hazel Salve.

#### A Great Sensation.

There was a big sensation in Lees-ville, Ind. when W. H. Brown of that that you get the gennine DeWitt's, made by C. E. DeWitt & Co. in Chicago, and a cure is certain Dewitt's Witch Hazel Salve cures all kinds of piles, cuts, burns, bruises, eczema, tetter, ringworm, skin diseases, etc. Sold by I. W. West.

his life as sed by Dr. King's New Discovery for Consumption, file writes: "I endured insufferable agonies from Asthma but your New Tuscovery Witch Hazel Salve cures all kinds of gave me immediate relief and soon thereafter effected a complete cure Similar cures of Consumption, Phonomonia, Broncluttis and Grip are numerous. It's the peerless remedy for all threat and lung trouble. Price 50c, and \$100 Guaranteed by C. E. Galinway Droppelst. Trisl

to disemise the sinfert in to place a how on the Indiancef allipsers and ties. In the case of thes it is very hard to keep the bow is place, and, besides, un ed rumples the ribbons. This difficulty

by calling attention to the wester's lack of good taste in affecting an exaggeration of style.

Correct ventilation should be had from the top of the windows either by means of a wheel introduced into the upper window pane or by the con or more deep, which shall extend quite across the window and which may be let down from the top, making a shaped openhur, and not opened from upon the heads of the occupants; the former would make an injurious draft Impossible. The windows, where the position of these may be aslected should be at least four fost from the floor. Where lower they should be provided with bars or strong wire lattice or acreeus. Harper's.

Care of the Stouth. To keep the mouth cleansed and free from injurious peids and had tastes rinse several times a day with s mouthful or two of baking soin dis solved in water. This should not be strong solution. A tempoonful dis solved in a pint of water is the corpor proportion. This may be kept in a closed yessel and used as occasion a quires. A conscientions use of this excellent cure will not only keep the teeth from decaying so empidiy, but will tend to harden the gums and prevent irritation around defective teeth.

Brass, Lead, Pewter and Rubber bought Parisian Mothers. at Everitt's.

Old Copper,

"Purisian mothers take their children about with them to a far greater extent then did English parents until quite recently," said an observant wo man, "and the result seems to be wholly antishetory. The little girls grow up as perfect little women of the world and are not plouzed into an unknown was when they come 'out.' Thus they do not have to wante one of two secons in learning how to enfor them solves and hold their own in the fish found-be awim."

Thin Women. Lean and limby ladies should avoid pickies and very salty foods. They should take a description of once
