

Oliver Sparger.

North Wilkesboro Hustler.
A holiday marriage took place in town Wednesday afternoon at the home of Mrs. P. A. Jennings when her sister, Miss Essie Dwyer, of this place was married to Mr. J. M. Sparger of Mt. Airy. The ceremony took place at 3:30 o'clock and was performed by Rev. L. B. Padgett, of Greenboro. W. H. Church played the wedding march and Miss Maude Edwards, of Roaring River rendered Schubert's serenade. Only a limited number of friends were present, and immediately after the ceremony the couple drove to the station where quite a number of friends showered them with rice and best wishes for happiness. The couple left for Mt. Airy the groom's home where they will spend a few days. The bride has numerous friends here and is a business young woman having been connected with the M. Church & Sons Company for the past two years. The room, though a resident of Mt. Airy, has spent considerable time in North Wilkesboro as a mill designer and is a popular young man always well met and whom many friends would be glad to have return permanently.

Meeting and Marriages Pine Hill Church.

Rev. S. R. Pickett, of this city, spent the holidays in the Pine Hill section of country, in the southern part of the county and held a meeting of several days at the Pine Hill Friends Church. Considering the weather the attendance was good and the meeting hopeful. While in this section he was called upon to perform the marriage ceremony for two popular young couples. On Saturday, Dec. 21, he officiated at the marriage of M. Etta Bremer to Mr. N. F. Sna. On the same day at the home of the bride's father Mr. J. Bowles, Miss Minnie Bowles became the bride of Mr. Ed. Stov. A number of young people of the neighborhood gathered at were present at this marriage.

Death of a Little Girl.

Joseph Columbus Mielke was born Sept. 17, 1910 and died Jan. 1, 1912, aged year, 3 months and 14 days. He was buried at the Mt. Airy Baptist church Jan. 2 at 10 o'clock in the writer. Quite a number of the people of the community were present. The little was bright and made home life but God, who doeth all for the best, took it home New Year's day to make heaven attractive to those left.
C. C. He.

Gillispie-Lambert

Married on Dec. 27th Mr. Early Gillispie and Miss Marie Lambert. The ceremony performed by J. A. Blue, in the presence of a few intimate friends at the home of P. Lambert, the bride's father. The young couple has a number of friends who wish them joy through the uneven part of life as they are both of great worth and of the best of the community.

Good Springs News

Christmas has passed quietly, no sport at all the men and boys have had of fun rabbit hunting. Miss Ella Cockerham very low with pneumonia we are glad to say she is improving. Mr. H. Cody of Mt. Airy up here last week on his last Thursday Dec. 2, Cockerham while out rabbiting killed an odder as large as you commonly see in this country. The wedding bells are heard on every side, we heard of eight couples married this Christmas. Little Miss Hattie W. place has gone to spend weeks with her papa at N. C. Mr. M. I. Cockerham, his daughter, Mrs. Priest, at Potato Creek Va. Wishing a happy New Year. "Blue Bree"

Notice of Shareholders

THE TOBACCO CONTEST.

One Hundred Dollars in Gold Given Away Christmas.

The F. R. Penn Tobacco Co. of Reidsville, N. C. closed the contest for the hundred dollars in gold which was given away Christmas and the final count showed that Miss Ella Doss, of this town won the highest prize, \$50. Mrs. W. A. Chappell won \$25. Miss Allie Marshall was awarded \$10. Mrs. G. M. Sparger, Mrs. Lillian Bennock and Miss Sarah Hiatt each were awarded \$5 in gold. The total being one hundred dollars.

The contest was carried on in a way that was above criticism and was nothing more than an effort to introduce to our people a high grade of tobacco. It is a well known fact that the Penn Tobacco Co. puts out as good grades of chewing and smoking tobacco as is made anywhere in the world, but they had never made an effort to get the people of this section to use their goods. By running the contest and giving away the hundred dollars in gold they got hundreds of people to using their popular brands of tobacco, and they sold large quantities to both the dealers and the consumers. In the future the West Hill Co. will be the jobbers for the Penn Tobacco Co. and supply the merchants in this section.

Mr. J. P. Connell, the bright young man who conducted the contest and placed the goods here with the merchants, is a man of ability and one of the finest salesmen in the country. He has charge of the selling of the millions of pounds of tobacco manufactured every year by his company. During his stay in this city he made many friends among our people, and developed a trade for his company's goods that no doubt will be permanent and profitable.

A FACT ABOUT THE "BLUES"

What is known as the "Blues" is seldom occasioned by actual existing external conditions, but in the great majority of cases by a disordered LIVER.

THIS IS A FACT which may be demonstrated by trying a course of

Tutt's Pills

They control and regulate the LIVER. They bring hope and buoyancy to the mind. They give health and elasticity to the body.

How to Avoid Consumption; Keep Perfectly Healthy.

The best defense a man can have against consumption is a perfectly healthy body. We are all more or less exposed to the dangers of consumption much of the time. The dust we inhale is often laden with the deadly germs. The disease may often be transmitted by means of fly infected foods and milks and meat from tuberculosis cattle. While these possible sources of infection exist and will probably continue to exist largely beyond our control, which is to avoid the disease despite these conditions.

The seeds of consumption take root and grow in our bodies best when we are physically "run down." It is at this time that our physical resistance is lowest. To avoid consumption, therefore, it is of the greatest importance that we do not become "run down" by overwork, loss of sleep, poor ventilation or intemperance of any kind. On the other hand we should strive to build up a perfectly healthy body by breathing only fresh air and lots of it, by moderate eating, by regular habits in regard to sleeping, eating, working and bathing, by avoiding constipation, colds, malaria, hookworm disease, alcoholic beverages, worry or anything that tends to lower our stock of physical vitality. Get the fresh air sunlight habit. Windows in bed rooms are to exclude rain and snow only and should otherwise be open. Screens are to exclude flies and mosquitoes.

A careful observance of these suggestions and the usual laws of hygiene will greatly increase our chances of avoiding the Great White Plague.

Here is a remedy that will cure your cold. Why waste time and money experimenting when you can get a preparation that has won a world-wide reputation by its cures of this disease and can always be depended upon? It is known everywhere as Chamberlain's Cough Remedy, and is a medicine of real merit. For sale by all dealers.
