Several Things of Importance.

By Rev. T. H. King.

There are several things of importance which I desire to bring to the attention of our people:

1. Mr. J. K. Henderson, of Knoxville, Tenn., Secretary of The Layman's Missionary Movement of The Southern Baptist Convention, will be in Mount Airy Saturday and Sunday, April 6th and 7th. He will deliver several addresses at The First Baptist Church. Many of our people will remember that one of the strongest addresses delivered at the great Layman's Convention at Greensboro a little ago was delivered by Mr. Henderson. I have asked him to deliver that same address here. His coming ought to be a blessing to all the churches.

2. Rev. W. J. McGlothlin, D. D., LL. D., Professor of Church History in The Southern Baptist Theological Seminary, Louisville, Ky., will deliver a series of addresses at The First Baptist Church in Mount Airy in June, Probably 22nd-25th. I have heard this series of lectures and unhesitatingly say that it is the greatest series of lectures I have ever heard. I sincerely hope that our people will fully appreciate this great opportunity and avail themselves of it.

3. There will be special meetings at Antioch Baptist Church Friday and Saturday, April 5th and 6th. Services will begin at 11 o'clock each day and there will be a morning and afternoon session and an hour for lunch, which will be served on the ground. At each session there will be an address or sermon by Rev. C. H. Durham, of Winston-Salem, and one by the writer. It is hoped that the people of that community will attend in large numbers.

4. The meeting that has just closed at the Presbyterian Church ought to be a blessing to this entire community. Rev. Mr. McLees, the visiting minister, is an unusually fine preacher. The meeting was well attended; but what a pity it is that a minister of such wonderful gifts and one so consecrated and sound in faith should come to Mount Airy and so many people who need the help of such services as he held should be indifferent to them.

5. Beginning next Sunday morning, all church services will be one hour earlier, sun time, than heretofore. It is exceedingly important that the services will not suffer because of the change. Surely our people will be sufficiently religious and patriotic to give full and loyal support to this change.

6. It is rumored that an Easter Ball is a shame that, at a time like this, when the whole world is in tears, when our men by thousands are falling in battle, when all who know God should be calling on Him, our community should be shocked with revelry like that; and it is nothing short of blasphemy to connect the resurrection of our Lord with the revelry of the modern dance. Let us all hope and pray that those who participate in that sort of thing will be considerate enough to call it off.

Third Liberty Loan to Be Three Billion Dollars.

Washington, March 26.—Three billion dollars with all oversubscriptions will be the amount of the third Liberty loan to open April 6 and the rate of interest will be 4 1-4 per cent, according to a detailed statement of Secretary McAdoo, published here today. Bonds of the third loan will not be convertible into any future loan although those of the first loan, bearing 3 1-2 per cent interest and those of the second, bearing 4 per cent, may be converted into the new bonds.

The maturity of the new bonds is yet to be determined but it was stated that they would be for a long term, probably between 20 and 30 years. Secretary McAdoo plans the establishment of a sinking fund to absorb bonds thrown back on the market in order to aid in keeping the price at par.

Life Was a Misery

Mrs. F. M. Jones, of Palmer, Okla., writes: "From the time I entered into womanhood . . . I looked with dread from one month to the next. I suffered with my back and bearing-down pain, until life to me was a misery. I would think I could not endure the pain any longer, and I gradually got worse. . . Nothing seemed to help me until, one day, . . . I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles," Mrs. Jones goes on to say, "and was not only greatly relieved, but can truthfully say that I have not a pain. . . ."

"It has now been two years since I took Cardui, and I am still in good health. . . . I would advise any woman or girl to use Cardui who is a sufferer from any female trouble."

If you suffer pain caused from womanly trouble, or if you feel the need of a good strengthening tonic to build up your run-down system, take the advice of Mrs. Jones. Try Cardui. It helped her. We believe it will help you.
