**ABANDONS ALL HOPE OF PRESENT GERMAN REGIME**

**So Says Former Director of Krupps in letter to von Bethmann-Hollweg — War Program is Denounced.**

London, England—L'Humanite has published by permission of Dr. Muehlon, a former Krupps' director, whose memorandum fixing the Kaiser's responsibility for the war is now world known, a letter which Dr. Muehlon wrote on May 7, 1917, to Dr. von Bethmann-Hollweg. In this letter Dr. Muehlon said that however great the number and weight of German mistakes since the war began, he persisted in believing that belated foresight would at last illuminate the minds of Germany's leaders. This, he adds, explains his help in the negotiations with the Rumanian's intervention, and his offer to help in Switzerland toward a rapprochement with the enemy.

"That I was and remain hostile to any activity other than reconciliation and restoration" he adds, "I proved soon after the opening of hostilities by the definite resignation of my directorship of Krupps. Since the first days of 1917, however, I have abandoned all hope of Germany's present directors.

"Our offer of peace without an indication of our war aims, intensification of the submarine war, deportation of Belgians the systematic destruction in France and torpedoing of English hospital ships have so degraded the governors of Germany that I am perfectly convinced they are disqualified for the elaboration and conclusion of a sincere and just agreement.

"The German people will not be able to repair the grievous crimes committed against its own present and future and against that of Europe and the whole human race until represented by different men with different mentality. To tell the truth, it is mere justice that its reputation throughout the whole world is as bad as it is. The triumph of its methods by which it has hitherto conducted war, both militarily and politically, will constitute defeat for the ideas and supreme hopes of mankind. One has only to imagine that a people exhausted, demoralized, or hating violence should consent to peace with the Government which has conducted such a war to understand how the general level and chances of life of peoples would remain dark and deceptive. As a man and as a German who desires nothing but the welfare of the deceived and tortured German people I turn away definitely from the present representatives of the German regime. And I have only one wish, that all independent men may do the same, and that many Germans may understand the act.

"It is impossible for me, meantime, to make any manifestation before German public opinion I have thought it to be my absolute duty to inform Your Excellency of my point of view."

**Insomnia.**

Indigestion nearly always disturbs the sleep more or less, and is often the cause of insomnia. Eat a light supper with little if any meat, and no milk; also take one of Chamberlain's Tablets immediately after supper, and see if you do not rest much better. Obtainable everywhere.

**Notice of Summons and Warrant of Attachment.** In Superior Court. North Carolina, Surry County.

The defendant will also take notice that a warrant of attachment was issued by said clerk on the 7th day of March 1918 against the property of said defendant which warrant is returnable at the time and place above named for the return of the summons.

The defendant will further take notice that the above-entitled action is brought for the purpose of recovering a judgment against the defendant for the sum of \$500.00 with interest due thereon due by notes executed to the plaintiff which are now due and unpaid, being the balance of purchase money due on real estate. C. and answer or demur to the complaint in said action or the plaintiff will apply to the court for the relief demanded in said complaint.  
This the 18 day of March 1918.

OFFICE OVER EARP'S STORE.

## Notice to Timber Men

We have orders for 20,000 No. 1. cross ties from White Oak, Post, and Chestnut oak, standard specifications of 7"X8"X8 feet and 6 inches long, when sawed and 7"X7" hewed, same length as sawed.

We also have order for 5,000 No. 2 cross ties, to be any size under the above sizes, down to 6"X7" and length to be the same as for No. ones, also to be from above kinds of oak timber.

Almost all timber haulers already know the specification and we mention this for those who will be getting out timber this year who have not made ties before.

Also all this timber must be sound, all knots smoothed off with the tie and all bark peeled off when either sawed or hewed.

A great many haulers lose their grade by measuring with their axe handles and we would ask that you cut a pole exactly eight and one half feet long and make all ties according to this length, and notch it for 7 inches to get face and thickness.

At this time we also wish to thank the hundreds of people who sold their timber to us last year and beg to assure them of the same fair and courteous treatment for the coming season.

The price, effective February 1st is 60 cents each for No. 1 ties and 50 cents for second class.

For Red Oak, Spanish Oak, and all other kinds of oak (except the above mentioned kinds,) also Hickory and Ash we will pay 50 cents for No. 1's, and 40 cents for No. 2's, same specifications as above.
