Notice To Parents  
In a Parent-Teacher meeting Monday night, a large number of parents voted unanimously to send their children to school on Saturdays until school closes. It is our plan to not teach later than one o'clock, but give the pupils credit for a day.  
Having to close the schools 7 weeks last year, and 5 this, makes it necessary to make up some time, if the children are to be promoted at the end of school. And the teachers and parents think this is the best time to make up lost work. We, therefore, hope that all the parents will co-operate with us whole heartedly and see that your children come to school every Saturday, and thereby stand a chance of making their grades. Unless they attend school regularly, this spring, the chances are that they will fail to be promoted.  
Yours very truly,  
L. M. Epps, Superintendent.

Pine Ridge News

Most people are through burning plant beds, and a great deal of ploughing has been done for the spring crop. There is about the usual effort being made for a tobacco crop, but it is hoped that there will be more corn planted this year than last.  
Mrs. Lewis Wiser is expected home in a few days from a four weeks stay in Martin Memorial Hospital where she has been taking treatment.  
G. W. Arrington has nearly completed his six-room dwelling near Pine Ridge.  
There will be preaching at Pine Ridge Baptist church Saturday Mar. 20th, at 2:30 and Sunday at 11 o'clock, everybody is invited to come.  
The Pine Ridge school will close in three weeks, it is taught by Jessie Beamer and assistant Miss Susie Lawrence. They have given entire satisfaction.  
We are glad to note that there has not been a case of flu in our district.  
Mrs. J. W. Graham has been very sick for a few days but is improving.  
G. R. Thore is erecting an eight room dwelling at Pine Ridge.  
J. W. Graham has built a new addition to his store house at this place.  
Miss Jettie Robertson was a visitor at Pine Ridge Saturday night and Sunday.  
Willie Lovill returned home a few days ago from a business trip to South Carolina.  
Best wishes to the Mount Airy News and its readers.

Escaped An Operation  
By Taking Lydia E. Pinkham's Vegetable Compound. Many Such Cases.  
Cairo, Ill.—"Sometime ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."  
—Mrs. J. R. MATTHEWS, 3311 2 1/2 corners Street, Cairo, Ill.  
Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letter, and many others like it, amply prove that many operations are recommended when medicine in many cases is all that is needed.  
If you want special advice write to Lydia E. Pinkham's Medicine Co. (confidential) Lynn, Mass.

Why Colds Are Dangerous  
You are often told to "beware of a cold," but why? We will tell you: Every cold weakens the lungs, lowers the vitality and paves the way for the most common diseases. People who contract pneumonia first take cold. A long cold hangs on, the greater the danger, especially from the cold diseases, as a cold prepares the system for the reception and development of the germs of consumption, diphtheria, scarlet fever and whooping cough. The quicker you get rid of your cold, the less the danger of contracting one of these diseases. Chamberlain's Cough Remedy has a great reputation as a cure for colds and can be depended upon. It is pleasant to take

Will Take Post Graduate Course And Equip New Office  
Dr. John E. Banner who has successfully practiced dentistry in this city for perhaps twenty years or longer, recently sold his complete office equipment to Drs. Reese and Harmon who will be ready to serve the public at Dr. Banner's old stand about April 1st.  
It was Dr. Banner's purpose to continue practice until that date, and then go north to take a post graduate course after which he would open up a new office with the most modern equipment in the new Fulton building now being built next door to the Wolfe Drug store.  
Unfortunately Dr. Banner was stricken with acute inflammatory rheumatism about two weeks ago, and acting on the advice of his physicians he left Friday for Hot Springs, Ark. where he hopes to get relief in a few weeks. After his recovery he expects to go to Chicago and take a post graduate course. When he returns to this city he will be prepared to give the best possible service as soon as his new equipment is installed in his new office.

Death Of Mother And Son  
Mrs. Samantha R. Smith died of influenza March 12th, 1920 at her home near Piney Grove, aged fifty-one years, after an illness of only a few days.  
She was the widow of Joseph Smith who died several years ago.  
On the morning of March 15th, her son Joseph Luther Smith aged seventeen years, died of the same disease.  
Mrs. Smith and her son were both consistent members of the Baptist church.  
A double funeral was held at the home at 2:30 P. M. March 14th, by their pastor Rev. George DeBoise assisted by M. J. Lottie Robertson of White Plains, and their remains laid to rest in Piney Grove cemetery.
