isville, Ky., March 18 .-- Waste expenditure of \$2,000,000 for g committees" was charged by Homer S. Cummings, man of the Democratic national nittee, in an address here tonight a dinner attended by Democratic ers of Kentucky.

The committees, Chairman Cumgs said, were appointed to ascer where there had been any graft the conduct of the world war but "demonstrated that this was st war ever fought in the tory of civilization."

The finger of scorn does not po to one single Democratic official in broad America," added Mr. Cumigs. ',I want to remind you that it does not lie in the mouths of those who conducted the Spanish-American war to indulge in the luxury of criti-cism. What is there in this war to compare with the typhoid infested camps of the war of 1898? What it there in this war to compare to the paper sole shoe controversy of 1898, and what is there in this war to compare to the embalmed beef scandal of the Spanish-American war?

American mission boards are the only organizations which have devoloped a practical, comprehensive, inclusive program for solving the

Musican problem.

The Mexican problem is not a question of a revolution being squelched, but an evolution to be guided. Mission boards are plan-ning to help Mexico solve her laud problems by establishing agricul-tural schools; her social problems toral schools; her social problems by setting up social centers in every town of over 15,000 popula-tion; her educational problems by establishing a university in Mexico City and enlarging and multiply-ing high schools, normal and day schools. This situation in the mouse market is disclosed in Dr. Wood's annual report as director of the George Crocker special research fund, made public today. This fund was created to conduct scientific cancer investigation and many mice not used for experi-ments at Columbia university are shipped to other laboratories. As one means to reduce the surplus, the directors of the research fund have attempted to ship some of the mice to the Pathological institute of the Imperial university of Tokio.
