Labor Differneces With Stome Cutters
A quention of wages has caused a
discontinuance of work by stone cutcers all overthiscountry. Some months ago the contrnetors of the whole cnuntry were notified that the stone
cutters would demand an inereased wage beginning with the first of this month. No agreement was reached between the interested parties, and so Thursday. Conferences are work lant Thursday. Conferences are being held daily, they tell us, in an effort to get
the matter adjuatod, and no doubt an agreement will be reached as the result of these efforts.
