As Regularly as the Cock Crows
Good health is a tonic that brightens your mornings. It throws a halo of happiness about your day. It brings you to your task with a sense of perfect fitness.
And the secret of good health is regular elimination. If you have a tendency to costiveness, Nujol will help you back to habitual movements.
Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.
Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world. Nujol is absolutely harmless and pleasant to take. Try it
Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

Repair The Wear
Hard Work Often Breaks Down a Person's Health and Creates a Need for Ziron Iron Tonic.

Men and women who do hard labor, such as building, farming or housekeeping, and those who do exhaustive brain work of various kinds, often feel the need of something to help renew faded forces and tone up the system.
To help repair the wear caused by over-work, to gain renewed strength and energy, many have obtained good results from taking Ziron Iron Tonic. Ziron is a perfected preparation of pure medicinal iron salts, combined with other valuable strength-giving tonic ingredients, which are recommended by leading physicians.
Mr. H. B. Converse, of McEwen, Tenn., writes: "I had been working very hard, and was getting weak and run-down from hard work. When I commenced taking Ziron, in a few days I felt stronger, and now I have taken two bottles I feel as strong as ever, although I have kept at work all the time."
You cannot lose anything by giving Ziron a trial, but very likely will gain much.
Your druggist will sell you the first bottle on a money-back guarantee.
