## Flour Is Fuel

Flour contains the elements that the body turns into heat and energy. Bread is the fuel that our bodies need to keep them warm and healthy. The amount of energy and heat that any food will produce is measured in "calories."

"PIEDMONT" 10 cents worth of "PURITAN" OR

"ARGUS SELF-RISING" FLOUR

contains more calories than 90 cents worth of beef or mutton; 60 cents worth of milk or \$1.25 worth of eggs.

Bread is the cheapest of foods, and it is the healthiest, the most wholesome and greatest of energy-producers as well. You should use more bread and biscuits on your table. Let them take the place of some of the more expensive dishes. It means better health and greater economy.

Nothing could be more delicious than the bread, biscuits and cake made with these famous products of the Piedmont Mills. They have stood the test for more than 50 years. Make their acquaintance today.

### Should Mount Airy Have a Rest Room.

Several years ago the merchants of the town or some of the public spirited citizens undertook to maintain a rest room where the women and children coming into town to do their shopping could have a place to rest and be comfortable, the room they secured for the purpose was upstairs and was not patronized enough to justify the expense of maintaining it. The time has come, however, when this question again presents itself to the citizens of the town. Shall we allow the women and children who come here to buy our merchandise and who bring their country produce to our markets to suffer for want of a place to sit down, or to lay the little folks when they get tired and sleepy?

Mount Airy has never failed to respond when called upon to do the public spirited thing, and we know that if the proper room on the ground floor can be secured there are numbers of our business and professional men who would provide the necessary funds for its maintenance. Other towns with less wealth make provision for the people who come in town to spend the day and the cost is small compared to the service they render.

We can, and should make this provision for our rural population. If you are interested get in touch with Mrs. McManus the county health nurse, she has a plan that will make the rest room a success at nominal cost for maintenance.

### Primitive Baptist Association

The annual meeting of the Fishers River Primitive Baptist Association was held last Friday, Saturday and Sunday at Corners Grove, four miles east of this city. The weather was ideal for such a gathering and large numbers of people came from far and near, as many as 2,000 attending on Sunday. This association is made up of about 20 churches, one of which is in Yadkin and two in Stokes the others being in this county.

All the churches were represented and about 37 ministers were in attendance. Those from a distance were Elders Hutchens, of the Mayo Association, Schenk, of Indiana, Thompson, of Stewart, Va., Garland Allen and John P. Gardner, of Carroll county, Staples, of Greensboro, J. A. Fagg, of Walnut Cove, Robert Arrington, of the Mayo Association and J. D. Moxley, of Galax, Va.

The service on Sunday was largely attended and the preaching was in the grove. Elders Hutchens, Schenk, Fagg and Atkinson preached the sermons of the day. Elder W. H. Atkinson acted as moderator and Preston Stone clerk. The next session will be held with Fishers Gap church in the Low Gap section.

### Sheriff Dropped the Jug.

Sheriff Belton captured a still near the Virginia line last Sunday morning and got there in time to catch the boys in the very act. Evidently they heard him coming and took to the tall timbers, for they left the still in full blast and the fire burning brightly and the mountain dew running right out of the worm into a nice clean glass gallon jug. The sheriff went and turned over the beer and cut up the still. But he was unlucky, for when he picked up that jug it just slipped from his hands and broke into smithereens right there before he had time to even smell of it. If he made any remarks at the time we are not aware of what they were.

Later in the day he received word that a fellow was down south of town with a whole automobile load of liquor. When the sheriff got there the automobile was where it had been reported and the fellow was also there with a dozen or more citizens sitting about with him. Search of the automobile revealed a quart of liquor. The man in charge was Erastus Gilley. He gave bond in the sum of \$250 and the sheriff has his automobile.

### Mrs. P. L. Hawks Honored.

Mrs. P. L. Hawks who left Friday to make her future home in Roanoke, Va., was the recipient of a number of social honors prior to her departure, among which were a dinner party by Mrs. J. Drew Martin, a rook party given by Mrs. John Folger in which Mrs. Hawks shared the honors with Mrs. Gates, of Greenville, a dinner at the home of Mrs. C. E. Lundy, and a rook party the morning before her departure at the home of Mrs. E. M. Hollingsworth in which Mrs. J. H. McSween, of Timmonsville, shared honors.

The Young Matrons book club presented Mrs. Hawks with a beautiful silver cream and sugar in Colonial style engraved in Old English.

### Profit-Sharing Plan in Mills A Success

Columbia, S. C.—The industrial democracy plan, introduced six months ago in two cotton mills in Darlington county by C. C. Twitty, president, has proved to be remarkably successful in increasing financial returns to employees, production, and efficiency of labor, and as a method of inducing more cooperation between the mill management and the workers. The net profit above operating expenses, taxes and depreciation is shared on a 50-50 basis with employees. Each employe at one mill has just received \$26.63 on each \$100 earned between October 1st and April 1st and at the other \$26.89. The plan was inaugurated with the opening of the new year, but was made retroactive to October 1, 1919.

The management of the mills says the plan has been instrumental in increasing production from 60 to 90 per cent and the efficiency of labor from 70 to 95 per cent.

Lexington, Aug. 2.—Baxter Shemwell was sentenced to thirty months on the county road by Judge B. S. Ray in Superior Court here this afternoon after he had been found guilty of assault with deadly weapons on Wade H. Phillips and John C. Bower, local attorneys, and with carrying concealed weapons. Two years was given in the assault case and six months for carrying concealed weapons. Shemwell gave notice of appeal to the Supreme court and was given liberty in bond of \$4,200.

## J. G. Hall Threw Away his Crutches Because He Did Not Need Them After Taking Re-Cu-Ma.

FOR SEVEN YEARS HE COULD NOT WALK WITHOUT THEM.

The manufacturers of Re-Cu-Ma do not claim that it will work miracles, but here is a case where it actually put a man on his feet again after seven years' use of crutches. Everyone in Bellair, Florida, knows J. G. Hall and everyone has confidence in what he says. Many of his townspeople were witnesses to his act of throwing away his crutches after having taken seven bottles of Re-Cu-Ma. Mr. Hall on his crutches has been a familiar sight to his friends; he was almost bent double; in fact, he was so badly crippled with rheumatism that even some of his joints were dislocated and of course he suffered agony at all times, no relief at any time. Mr. Hall was thoroughly discouraged and felt that he would never be able to get around again like other men; he had spent a small fortune with doctors in many places, but without avail. He took one bottle and saw some help and was encouraged enough to take more and now, after taking seven bottles he feels practically cured. He has gained 32 pounds in weight and is able to work hard every day. He is employed as night watchman at the world famous Bellair hotel and takes an active interest in Masonic and church work. Mr. Hall's remarkable cure

should be a beacon of hope to others who are similarly afflicted, for we naturally feel that Re-Cu-Ma can do as much for other sufferers. Try it today—we sell it on the guarantee that your money will be refunded if you do not feel benefited after taking it for four days. It sells for \$1.20 plus war tax and can be had at Mount Airy Drug Co. and all drug stores.
