

Your Home Town

Trade At Home With Home People and Thus
Keep Your Money in Your Own County

Surry County will next week hold its Annual Fair and most people who live in the county will come to Mount Airy during the Fair week.

The undersigned business men and in fact the entire business interests of Mount Airy will do all they can to make your visit pleasant when you come to the Fair. We are expecting a big crowd and will enjoy having you with us and are hoping that you will enjoy the visit here.

Let Us Call Your Attention To A Few Facts

1st. Mount Airy is your home town and your market. When you come here next week take time to go to the stores and examine the goods and see for yourself what is here for the prospective purchaser.

2nd. We claim that there is no better market in the country at which to sell what you have to offer or to buy what you need in the way of clothing, shoes, dry goods, hardware, furniture, groceries and in fact anything that is kept for sale by retail stores.

3rd. It is to your interest to do your trading at home and thus help to keep up a home market if you can buy your goods here as cheap as you can at other places. We claim that you can and we invite you to make a careful investigation when you come here next week.

Whether you have time to trade any when you come to the Fair or not we are each hoping that you will enjoy your visit here to the limit and we extend a hearty invitation to you to visit our place of business some time during your stay here.
