Moonshiners Try to Recover Their Still

Asheville, March 28.—Armed with guns, knives and pistols, three moonshiners appeared at the home of Deputy Sheriff John McClure, of Clay county, in the mountains near here, and demanded the return of a blockade still which the deputy, with other officers, had taken the previous day.

In the free-for-all fight and running gun battle which ensued, the deputy sheriff received several scratches and bruises. Martin, one of the men, was shot through the hand, and the other two, said to have been doing a thriving trade in corn whisky, were repulsed after the exchange of several shots.

The deputy sheriff still has the still, and Martin is held in the Clay county jail. Pasmore and his son are "hiding out" in the mountain fastnesses.

PEAKE WILL BE TRIED AT JULY TERM COURT

Judge Refuses to Remove Case or to Order Jurors From Another County

Winston-Salem, Mar. 28.—Affidavits were presented to Judge Harding this afternoon in the Superior court, signed by the defendant and two citizens, in which J. L. Peake, charged with the murder of H. B. Ashburn in this city December 7, last, asks that his trial be either transferred to another county or that a special venire be ordered from a county in this judicial district. It is alleged in the affidavits that on account of the large amount of space given the case by the newspapers and the action of the officers to run down the defendant, discussion of the case, etc., the prisoner would not be able to secure a fair trial, claiming that any jury chosen in this county would be necessarily prejudiced.

J. L. Peake was brought from the jail to the court room for the pleading. By consent of the solicitor and counsel for defendant, the prisoner was not formally arraigned.

After hearing the motion Judge Harding declined to order the case transferred to another county or order a special venire from another county. However, his honor announced that if while drawing a jury in this county for the trial of the case, it was discovered that there were any indications of prejudice on their part, he would then order that 12 jurors be chosen from another county. Hearing of the case was then continued until the July term of court.

Many who have seen the prisoner since he was brought back from Knoxville, contended that he has been using peroxide or blonde on his hair to change the color of same.

NOT DUE TO SEX ALONE

Mt. Airy Women Have Learned The Cause of Many Mysterious Pains and Aches

Many women have come to know that sex isn't the reason for all backaches, dizzy headaches and urinary disorders. Men have these troubles, too, and often they come from kidney weakness. To live simply, eat sparingly, take better care of one's self and to use Doan's Kidney Pills, is bound to help bad kidneys get better. There is no other remedy so well-recommended by Mount Airy people. Read this case:

Mrs. J. K. Davis, 112 Lebanon street, says: "I have used Doan's Kidney Pills and wouldn't be without them. I was down with my back and the pains were so bad, I surely was in misery. I couldn't move one way or the other and would cry from pain. There was only one remedy that gave me any relief and that was Doan's Kidney Pills. A few Doan's always bring me quick results."
