

Tribute to Mrs. W. A. Wetherford

By Mrs. H. K. Boyer
This community was saddened on the evening of June 8th when the patient sufferer of many months, Mrs. W. A. Wetherford passed away. She was the only daughter of Mrs. S. E. Batters of Nashville, Tenn., and the great-granddaughter of Bishop Casper, deceased, of the M. E. Church South.

June 9th was the 9th anniversary of her marriage to W. A. Wetherford of Nashville, Tenn., who with one son aged 8 years survive her. When her health failed several years ago, her husband brought her to Mount Airy hoping the climate would restore her, and he spared no means to make her comfortable and for her restoration, but after a courageous battle with disease, she passed into the Great Beyond. Mrs. Wetherford was young and beautiful, but of more transcendent beauty was her spirit and disposition. So bright in mind, and sweet in spirit that every one who came in contact with her recognized a rare, transparent Christian character most unusual, and became warmly and sympathetically attached to her. She cherished life for the very joy she found in living, and for the sake of her devoted husband. Little son and mother, whose devotion she returned abundantly. She loved her home, and sometimes wondered why she was thus afflicted, but did not complain, believing to the last that she would recover.

Her mother spent much time with her, during her illness ministering in every possible way to her comfort, and to that of her stricken husband and little son.

The funeral service was conducted at the home, by her pastor Rev. H. K. Boyer, assisted by Rev. D. Vance Price, after which the family left with the body for Nashville, Tenn., where among her friends and relatives interment will take place.

NOTICE OF SALE

By virtue of a deed of trust executed to me by Nathan Edmonds to secure \$1205.00 balance due on purchase price of lands hereinafter described, default having been made in the payment of said debt, on application of the holder of the note secured by said deed of trust, I will sell for cash to the highest bidder in front of the First National Bank in Mount Airy, North Carolina, on

the 14th day of July, 1923, at 1:30 o'clock P. M., the following real estate, lying and being in Surry County, North Carolina, Mt. Airy Township and described as follows:

Lots numbers 6 and 7 as shown on plat made by T. B. McCargo, Beginning on South side of Fancy Gap road on stakes on corner between Lots No. 5 and 6 and running with line between these lots S. 29 deg. W. 209 feet to stake on line of lot No. 12 and thence with lot No. 12 S. 59 E. 110 feet to stake on corner between Lots Nos. 7 and 8, thence with line between these lots N. 29 E. 186 feet to Fancy Gap road and to stake between lots Nos. 7 and 8, thence with Fancy Gap road N. 46 W. 120 feet to beginning.

Sale made to satisfy balance due on said note, default having been made in the payment thereof, balance principal being \$865.60, with interest from January 19th, 1923. This May 14th, 1923.

J. H. Folger, Trustee.

The Home of the Soul

In olden times, it was believed that the seat of the soul was the stomach, most likely for the reason that a man is never so completely used up as when his stomach is out of order. For the cure of ordinary stomach troubles, there is nothing quite so prompt and satisfactory as Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. Give them a trial. They only cost a quarter.

Recommends Chamberlain's Tablets

"Chamberlain's Tablets have been used by my husband and myself off and on for the past five years. When my husband goes away from home he always takes a bottle of them along with him. Whenever I have that heavy feeling after eating, or feel dull and played out, I take one or two of Chamberlain's Tablets and they fix me up fine," writes Mrs. Newton, Vreeland, Minoa, N. Y. Take these tablets when troubled with constipation or indigestion and they will do

Mowing Machine Kills Child

Kinston, June 8.—Robert Koonce, two years of age, was hidden in a field of oats at his Jones county farm home when a mowing machine passing by whisked off both his feet. The child was brought to a hospital here and died some hours after the accident. The victim was the son of Leo Koonce and wife, residing on the plantation of Walter LaRogue, former postmaster here.

The driver of the mower, a horse drawn machine, did not see the boy, playing in the grain, which was taller than the tot. Little Robert had been an interested watcher of the mowing. As he stood beside the path of the machine something reached out from it and severed his legs just above the ankles. The tragic occurrence was the first of its kind to ever be recorded in this section.

MT. AIRY MAN'S LUCKY FIND

Will Interest Readers of the News

Those having the misfortune to suffer from backache, urinary disorders, gravel, dropsical swellings, rheumatic pains, or other kidney and bladder disorders, will read with gratification this encouraging statement by a Mt. Airy man.

W. O. Fowler, prop. of grocery, Franklin street, says: "I suffered a heap with a mean backache and got so bad at times that if I stooped I could hardly straighten again. The poor, unnatural action of my kidneys worried me. The secretions passed frequently and were scanty and highly colored. I began using Doan's Kidney Pills, which I got at the Wolfe Drug Co. I took about three boxes of Doan's and all the symptoms of kidney trouble left me. I use Doan's now, and they keep the backache away and my kidneys in good order."

**Have you ever wished
you could carry TWO tanks
of gasoline on your car?**
—one for starting and pick-up
—one for power and mileage

SOMETIMES the man who is proud of the power he gets on the hill is the very man to wear out his battery trying to turn over in the morning! Not if he carries "Standard", the complete gasoline.

Why are gasolines different? Because this motor-fuel we call gasoline is not so simple as it seems. Even the smallest drop contains starting-fuel, pickup-fuel, power-fuel and mileage-fuel, in some proportion or other.

And remember: it is this proportion that makes a gasoline good or poor. And it is in this detail that "Standard", the Balanced Gasoline, excels. By scientifically balancing the various constituents of every drop, flame generation and full, clean burning is assured. This means all the gas is burned up—giving maximum power and no noticeable carbon residue.

Long effort, experience and scientific research have produced The Balanced Gasoline, the complete, all-round, all-purpose motor fuel. Try it out this season—for your own satisfaction.
