TO RELIEVE PAIN AND BACKACHE

Women May Depend upon Lydia E. Pinkham's Vegetable Compound

Minneapolis, Minn.—"I had heard so much about Lydia E. Pinkham's Vegetable Compound that when I realized I needed to take something to relieve my pains and backache, and to help build me up I began to take that. I had been sick off and on for years and barely weighed a hundred pounds, but now I have had such good results that I am recommending the Vegetable Compound to every one."—Mrs. J. J. Bruner, 2888 18th Ave. South, Minneapolis, Minn.

Finds a True Friend

"Every woman who values her health should be proud to have a true friend like the Vegetable Compound," says Mrs. W. E. Shaw, 3227 Walnut Street, Chicago, Illinois. "I had female weakness so badly that I could not stand on my feet. Half of my time was spent in bed and I had pains in my back which were unbearable. I tried everything I could think of to help myself, and when a friend advised Lydia E. Pinkham's Vegetable Compound I began taking it at once. I recommend it without hesitation."
