QUALITY

Service and service

This work was taken after graduathe business men of the country who some chickens and get back on his of the 1923 crop of leaf can and will tion from the University of Pennsyl vania, School of Medicine, in 1919.

We are this year specializing on Pittsburg wire fencing because it is a heavier and better wire. Get our prices before buying. We also carry a stock of Square Deal fence: Prices:

Five foot Square Deal fence, 10 rod roll, ..... \$5.66

Our business is now on a cash basis is the reason why we can make the big cuts in hardware prices that you will find when you buy from us.

Distributors for BOYCE-ITE, the great Carbon remover and GAS SAVER.

## **Galvanize** Roofing

We are also under the market on the best grade galvanized roofing. Get our prices before buying. We have just unloaded a car.

> Less 10c for bag when returned.

## **Chattanooga** Plows

We have a special proposition for the farmers on this plow. Come in and let us tell you about it.

We have a complete stock of all kinds grass, clover and garden seed. Prices, as usual, right.

# **Goodyear Tires**

For the past three years we have sold nothing but Goodyear Tires. Every day we have propositions from other tire companies, something we would not consider for two minutes. We have just received a part of our spring order which was bought last fall at approximately 15 per cent below present prices. Our stock order mounted to \$6,800.00. You see we buy in large quantities and are in position to save you money.

### NORTH CAROLINA AND WILSON

on. It is a fact nevertheless.

Baltimore he wrote a book that be-came the text book on government in several colleges immediately after it was published. Wake Forest was one of the colleges that adopted the book. At that time Dr. Chas. E. Taylor was president of the college and possibly he taught the subject treated by Mr. Wilson in his book. Anyway it was Dr. Taylor who called attention to the great worth of the book and saw in its author a man worthy of great distinction. He therefore recommend-ed to the trustess of Wake Forest col-lege that they confer on Mr. Wilson

ment by the local church in conformthat he had a strong leaning to the Gospel ministry, but the lure of the business world got the upper hand in his thoughts. He later studied pharmacy and spent several years in
