SEVERE CRAMPING SPELLS, PAINS IN BACK AND SIDES

"My trouble has been periodic cramping spells," says Mrs. C. C. Draper, of Atlanta, Texas. "For several years these have come on me so bad that I had to quit my work and go to bed. Every month I would stay in bed from one to two days. The pains in my back and sides were awful. This went on for several months after I was married until, one time when I was having a bad spell, my husband suggested that I try Cardui. I said I would try it, so he got me a bottle at the store and I began to take it. It seemed like I improved from the very first dose. When I had taken one bottle I was very much better. I did not cramp so hard the next month and I ate and slept better. I was not nearly so nervous either. I thought Cardui was fine, so I continued the treatment until I had taken two bottles, at which time I felt much better. I had no more cramping spells at all, and my health was as good as anybody's. I am feeling fine now and I give all the credit to Cardui, for I had been suffering for years before I took it."

MRS. YOUNG ENTHUSIASTIC Cannot Praise Lydia E. Pinkham's Vegetable Compound Enough. Sick Women Read This Letter

Charleston, S. C.—"I was completely run-down and not able to do my household work. I just dragged myself around and did not have energy enough to get up when I sat down. I read advertisements of Lydia E. Pinkham's Vegetable Compound in your books and learned about it. I got benefit from the very first bottle. I continued to take it for some time, and now I am doing all my own work, even washing and ironing, and never felt better in my life. I tell all my friends that the change in my health is due to but one thing and that is Lydia E. Pinkham's Vegetable Compound. I cannot praise it enough."—Mrs. Annie Young, 16 Amber St., Charleston, S. C. The reason for such a letter from Mrs. Young is apparent. She got well and is grateful. Recently a reliable courier of your publishers of Lydia E. Pinkham's Vegetable Compound was made, and in one of 100 reported that they received benefit from taking it. This is because the Vegetable Compound has been helping other women in a similar manner who I should help you. For sale by druggists everywhere.

Advertisement for The Great Benninghoff Robbery! Interesting Sketches in Oil No. 12. Includes an illustration of a man and a scene.

JOHN Benninghoff, an upstate farmer on Oil Creek, Pa., awakened one morning to find that Oil had been stolen from his land and in so time as all he was rich beyond his imagination. Suspicious of banks, Benninghoff stored half a million dollars in gold greenbacks in a cheap safe in his sitting-room. Naturally, thieves kept their eye on the Benninghoff farm and one night six young sports of the district saw the home, bound and gagged the whole family, sampled Mrs. Benninghoff's pie, drank a gallon of milk and departed with \$265,000! A package of \$100,000 in bills they overlooked! In a few hours the whole country was agog with the news of the Great Benninghoff Robbery. Some of the thieves were later on, but were given only short prison terms. While Saeger, the ring-leader, escaped to Texas, established himself as a gentleman rancher, and become one of the most respected men in the neighborhood!

But for all that, dishonest doesn't pay. Even Saeger, who to all appearances is a "clean getaway", had to surround himself with armadillos for the rest of his life. And so with Kerosene ONLY Kerosene is the HONEST Kerosene. It has C Oil and the White C Oil, same except in color. Made from start to finish, and insures the light, the most heat, and the most hours per gallon than it burns longer. It's more economical!
