MOUNT AIRY, NORTH CAROLINA, OCTOBER 22nd, 1925,

YEAR IN ADVANCE

Cooperative Tobacco Growers Start New Campaign

Next Five-Year Period; May Elizabeth Cole Back To Rockingham; Brooks Criticises Neverpapers (size Neverpapers Institute).

Raleigh, N. C., Oct. 17.—That the principles of marbeting tobacco in the co-operative way have become well established in Virginia is above by the recent movement there to start a second sign-up campaign, with the new contract covering the years 1927 to 1931, inclusive. This new agreement of the Tripitate or Tobacco Growery Amedication, and calls for a 75 per cent sign-up campaign or Arkanaas. No define original agreement for the Tripitate Tobacco Growery Amedication and calls for a 75 per cent sign-up campaign or the company of the long training and the working of the long training and the party point to Arkanas. No define the original agreement for the Tripitate Tobacco Growery Amedication and calls for a 75 per cent sign-up campaign or the company of the long training arrived party point to the compensation of the long training time was set for their restruct. The dealth was a fired belt by November 1, 1925.

This movement in the Virginia days the start principle of the well-defined intentions of the to the termina where the defendant was being considered in the crimina instance department of the tear principle way have been considered in the crimina in the was a far fred belt by November 1, 1925.

This movement in the Virginia days are also as the party soing to Arkanas. No defined by the start fred belt by November 1, 1925.

This movement in the Virginia days was a second start from the cooperative way.

New System Being Considered

In addition to a new second considered and was a second start of the start principle was a second start of the start of the
