**BIG INCREASE IN SALES OF** CARS IN THIS STATE

Raleigh, Nov. 13-Over 3,500 nev automobiles have been sold in North Carolina during the last week in Oct-

ober and the first week in November. according to Sprague Silver, chief of the Automobile License Bureau, who

expects more new cars to be sold in November than in any month since the organization of the bureau.

Inability of dealers to secure shipments of cars cut down the total sales in September, August and July. according to Mr. Silver, but now the total sales is rising to meet the demand. September was off 1,300 cars.
