Stockholder's Meeting
The regular annual meeting of the stockholders of The First National Bank of Mount Airy, N. C., will be held for the election of Directors on Tuesday, January 12, 1926, at four o'clock P. M., at the office of the bank.

This Dec. 1, 1925.
T. G. Fawcett, President.

NOTICE
The pensions for soldiers and widows have been received at the Clerk's office. All pensioners are required to call at said office in Dobson, either in person or by duly authorized agent if pensioner be physically unable to call in person. Under the ruling of the State Pension Board no pension check can be mailed to any pensioner. This Dec. 12, 1925.
F. T. Lovelton, C. of S. C.

Friends Church
B. H. Millikan, Pastor

Prayer Meeting Wednesday
day, 7:30 P. M.
Sunday School, 9:45 A. M.
Morning Service, 11:00 A. M.
Evening Service, 7:30 P. M.

The pastor will preach a Christmas sermon Sunday at 11:00 o'clock on the following subject "The Voice of the Remnant" and "the Response of Jehovah". The subject for the evening service is "A Sad Condition."

The prayer meeting for this week will be held in the home of Mr. and Mrs. Charlie Brannock.

COMPARISON OF RATES OF SOUTHERN PUBLIC UTILITIES CO. AND PRESENT CITY RATES

With the sale of the city power plants and electric system, should the same meet the approval of the voters at the coming election, the subject of rates has become an interesting question. The Southern Power Co., and its subsidiary, the Southern Public Utilities Co., are under control of the Corporation Commission as far as the matter of rates to be charged are concerned, but officials of the company state that in the past fifteen years the company has made voluntary reductions from time to time until now the present rate obtains. As an illustration the present lighting rate is eight cents per kilo-watt, when a few years ago it was as high as 15 cents. These reductions have been voluntary on the part of the company and come about from the large amount of current that is being generated and distributed.

For lighting purposes the city now charges eight cents per kilo-watt, with a minimum charge of \$1.20 per month. The power company also charges eight cents but the minimum charge is \$1.00, and for all amounts over 25 kilo-watts there is a reduced scale going as low as 2.8 cents.

For lighting purposes the city now charges eight cents per kilo-watt, with a minimum charge of \$1.20 per month. The power company also charges eight cents but the minimum charge is \$1.00, and for all amounts over 25 kilo-watts there is a reduced scale going as low as 2.8 cents.

For lighting purposes the city now charges eight cents per kilo-watt, with a minimum charge of \$1.20 per month. The power company also charges eight cents but the minimum charge is \$1.00, and for all amounts over 25 kilo-watts there is a reduced scale going as low as 2.8 cents.
