

WATCH OUT for me in this Paper. Careful Nurse

My Name is "CAREFUL NURSE." I will appear in this paper every week and tell you how to keep healthy and beautiful and where to buy the MEDICINES, BEAUTIFIERS and all kinds of drug store things you need. Why, I tell you now. Turamyre & Lamm 2-Registered Druggists-2 Phone 601

Two cars headed with their drivers and one brother and the little children of all four families attended the funeral of Mr. H. P. ... of The Hollow, Va., and were returning to this city about 10 o'clock Friday night when they were attacked by four men two on each side of the road who fired on their cars as they approached and from the rear before they could stop their cars. The grief-stricken people looked their cars to meet what fate they knew not—and found their assailants to be officers of the law, according to the report of members of the party. The officers explained that they were on the lookout for a car handling liquor. The shots did no damage except to narrow the narrow of the occupants of the cars except that Mrs. Jerry Venable fainted and fell from her seat in the front of one car when she thought a shot had struck her husband who was at the wheel of the assault because he was riding on the outside of the car. As the car stopped Mrs. Venable who had fainted fell against the door which came open and threw her to the ground, she was not seriously injured. Those in the attached party were Mr. and Mrs. W. E. Eckhardt, Mr. and Mrs. Jerry Venable, Mr. and Mrs. E. P. Venable, Mr. and Mrs. E. D. Bowman and children of all the families.

Mrs. Wm. E. Pruett Dead. Mrs. Wm. Pruett died at her home north of this city August 24th, at 2:30 P. M., after a lingering illness of three years. The funeral was held at Salem Methodist Church, where she had been a member for forty years, at 3 P. M. Wednesday and was conducted by Revs. D. Vance Price, C. D. Crouch and J. W. Walker. She was buried in the family square in the churchyard. The large crowd and the beautiful and numerous floral offerings showed the high esteem in which this good woman was held. She was born in Surry county in 1865 and was 60 years old at the time of her death. She was the mother of eight children and one daughter, Margaret, who died at the age of 19 years. Those surviving are her husband, three daughters, Mrs. Charles E. Johnson, Augusta, Ga., Mrs. G. L. Pruett, of Florida, Mrs. H. G. Childress, this city, four sons, Sam R.; Fred C., George E. and W. A. Pruett all of this city.—Contributed.

Better lubrication from the moment the motor starts—that's the secret of the new oil

HUNDREDS of road tests on all types of cars and trucks prove that the new "Standard" Motor Oil produces results never before associated with motor oils. Typical of these tests is one with a Dodge, run over a 1,080 mile course from September 24th to October 22d, 1925, under engineering supervision. This test revealed 40.9% increase in oil mileage; 10% increase in gas mileage; smoother operation of the motor at all speeds; more power; less drag on the hills—all due to the remarkable lubricating properties of the new oil. You can verify these astonishing results in your own car. Just have your crank-case drained, flushed and filled with the new "Standard" Motor Oil. Then expect results. You can actually feel the difference.

- 7 Advantages of "Standard" Motor Oil 1. Constant lubrication. 2. Minimum friction. 3. Less "breaking-down" under load or at high speeds. 4. More miles per quart of oil. 5. Better hill climbing—smoother operation. 6. Negligible carbon. 7. Actual saving in gasoline.
