Revival Meetings at First Baptist Increase in Interest.

Dr. T. Claggett Skinner, of Lynchburg, Va., is bringing a series of heart-felt messages at the revival meetings now in progress at the First Baptist Church. All who have heard him are ready to pronounce him entirely different than anything they have ever heard.

If the messages he has already brought are a criterion of the remainder, and we feel they are, the church and the entire membership, as well as all who hear him should be greatly helped and urged to a higher plane of Christian living.

After hearing and knowing Dr. Skinner it is not hard to realize how he received over 1200 members into the membership of the First Baptist Church, of Columbia, S. C., in a pastorate extending through six years. His messages and life team with the love of Christ for men, without which his ministry would be of no avail.

The congregational singing under the leadership of the pastor is spirited and members of the choir as well as quartettes and duets are adding greatly to the musical side of the meeting. We will be fortunate in having Miss Lillian Bentley, of Winston-Salem, with us Thursday night. She will sing a special selection.

Meetings continue through this week and next. Services daily at 9:30 and 7:30, morning and evening. Everybody welcome.
