LIQUOR QUESTION UP IN EIGHT STATES

Chicago, Oct. 25.—Voters in eight states, at the November election, will have an opportunity to pass upon Prohibition. The states are California, Colorado, Illinois, Missouri, Montana, Nevada, New York and Wisconsin.

In New York, Illinois and Wisconsin, the referendum is on the question of asking Congress to amend the Volstead Act.

New York and Illinois vote on the same proposition: "beverages which are not in fact intoxicating as determined in accordance with the laws of the respective states." In Wisconsin, the proposition says "beer for beverages purposes of an alcoholic percentage of 2.75." In New York the Legislature passed a bill to place the question on the ballot. In Wisconsin the proposal was adopted by joint resolutions of the Legislature. In Illinois the referendum was initiated by petition.

The question in California is whether to repeal the Wright act, the state enforcement law, adopted by the people at a referendum in 1922.

In Colorado, the question will be submitted as a proposal to amend a section of the State Constitution, "enabling the Legislature to provide for manufacture and sale of intoxicating liquors, such amendment to be inoperative so long as in conflict with the laws of the United States."

The Missouri vote will be on the question of repealing the State enforcement laws passed in 1923. The Montana proposition is on the question of repealing all State laws relating to liquor control, except the law forbidding sale of liquor to minors.

The Nevada referendum is in the form of a memorial to Congress to submit the Eighteenth Amendment again to the States.

In these eight States, the W. C. T. U., with 600,000 members, has laid plans to concentrate a fight to get "100 per cent dry vote."

Mrs. Isabel Marion, 53, wife of Rev. T. G. Marion, superintendent of the County Home, passed away Thursday, following an illness extending over a period of several months, heart trouble causing her death. She was a consistent member of Mount Herman Missionary Baptist Church and a regular attendant on its ordinances as long as her strength permitted. Funeral services were held Friday afternoon at 2 o'clock from the Mount Herman Baptist Church, by Rev. T. S. Draughn, assisted by Rev. Jackson Williams. Interment was made in the church cemetery. The floral tributes were many and beautiful, showing in a small way the high esteem in which the deceased was held. In early womanhood she was united in marriage to Rev. Tom Marion. To this union were born five children, one daughter, Verlie Marion; four sons, Bausey, Kermit, Esker and Hobart Marion, all of whom are living. She is also survived by her husband.

H. R. Newsonger, Extension Horticulturist at Asheville, spent two days last week with H. E. White, county farm agent. While here they visited the orchards of T. N. Woodruff, of Lowgap, E. C. Bivens, of Mt. Airy, and Curt Blue, of White Plains. Mr. White is well pleased with the cooperation these men are giving him in this line of work. Mr. White also had as his guest for the day Thursday, Mr. E. S. Millsaps, District Agent.

The regular October term of Surry Superior court, for a two weeks term, for the trial of criminal and civil cases, was convened yesterday by Sheriff C. H. Haynes, and immediately adjourned. The county commissioners at their meeting last first Monday, petitioned His Honor Judge John M. Oglesby, not to hold this term of court as scheduled, because of the fact that the election will be held on November 2nd, and also that they had recommended to His Excellency A. W. McLean, Governor of North Carolina, to call a special term of Surry Superior court beginning the first Monday in December, for a two weeks term, for the trial of criminal and civil cases.

The home of Mr. and Mrs. Lee Moser, of near Flat Top, was the scene of a happy event Sunday, Oct. 17th, when neighbors, friends, and relatives gathered there to celebrate the birthday anniversary of Mrs. Lee Moser and Mrs. Robt. Thom. A special feature of the dinner which was served at the noon hour were seven opusculi well prepared for the occasion.

Mr. Reece Mastin, of Jonesville, is conducting a singing school at the Franklin school house. Classes are held every evening beginning at 7 o'clock. On Oct. 31, an all day singing will take place in the auditorium of the school building. Every community in the county is invited to be represented by choirs and to take part in the singing. Funeral services were held Saturday morning at 11 o'clock from the Little Vine Baptist Church. Rev. T. J. Folger had charge of the services. Interment was made in the church cemetery. He was a former resident of Dobson, and has many friends in this community who regret to learn of his passing. During his stay here he worked for the state highway department on the state highway from Dobson to Crutchfield. Surviving are his parents, wife, Mrs. Rena Linville and two small children.

T. E. Stanley, of near Fairview lost his home and all of its contents by fire Thursday morning at 9 o'clock. The house was a two-story frame building and contained six rooms. The fire when first discovered was burning near the fire over the kitchen. A pack house standing near by in which was stored 100 bushels of wheat, caught fire several times, but was saved by neighbors, who came to his assistance. 150 cans of canned goods were destroyed along with all the other contents of the building.

Joe Cooper returned home Saturday from a several days' stay among relatives at Galax and Hillsville, Va.
