

BETTER THAN BARGAINS

We started our Used Car business with the idea that a good car at a fair price is better than a fair car at a bargain price. That idea has now become a definite policy. Our customers can tell you why.

You will see from the above prices that now is a good time to sell tobacco, and to our best judgment you will make no mistake in selling as soon as you can. We do not think prices will get much higher. Our average Monday was \$29.38, which is one of the best averages for the season.

Compare our prices with other markets and you will see that it will be to your interest to sell with us and on your home market.

With Buck Wall to auction your tobacco and W. T. Haynes and E. L. Brown to see that it brings the top price, we are sure it will be to your advantage to sell with us.

We have been in the warehouse business for 30 years, and our accommodations are the very best. Bring us your next load and we will get you the best prices you have had in years. First or last sales, sell with us.

Yours friends,

Miss Hazel Reeves, post graduate of the C. H. S. gave a party at her home near this town in honor of her class Thursday night. Interesting games were played after which a delicious salad course was followed by ice cream and cake.

Lela Fincham, student of the Draughn's Business College, of Winston-Salem, spent the week end with her parents Mr. and Mrs. H. T. Fincham.

About four hundred people attended the Halloween party which was given at the Copeland school building Saturday night. Ghosts, goblins, witches were all present promptly at seven. A good program was rendered on the stage. Then they had minor shows in the class rooms one of

Good taste and good health demand sound teeth and sweet breath.

The use of Wrigley's chewing gum after every meal takes care of this important item of personal hygiene in a delightful, refreshing way—by cleaning the teeth of food particles and by helping the digestion.

The result is a sweet breath that shows care for one's self and consideration for others—both marks of refinement.

TERRIBLE PAIN

Mrs. Cox Quite Well Now And Painless With Cardui

Mrs. W. L. Cox, 120 Church Street, Chester, S. C., says:

"I suffered awfully . . . I would have a terrible pain, at times; I could hardly stand it. I slept badly; my rest was disturbed and I seemed to get little benefit from it.

"I read about Cardui in the papers and thought it might be a good thing to try, so I began taking it. I was so pleased with the way I improved that I kept on taking it until I felt quite well. Cardui helped me so much and so many people have remarked about my improvement."

Cardui has been used and recommended by thousands of other women, for over 45 years. Try it.
