Official Organ Mount Airy Kiwanis Club.

Club Meets at Bice Ridge Hotel 6.30 P. M. Every 2 and 4 Friday

The Fundamentals of Kiwanis.
The basic objects for all Kiwanis clubs are the same. They are fixed and fundamental. They are set forth in the constitution of Kiwanis International and are included in the club laws. They are:
To give primacy to the human and spiritual, rather than to the material values in life.
To encourage the daily living of the Golden Rule in all human relationships.
To promote the adoption and the application of higher social business and professional standards.

To develop, by precept and example a more intelligent, aggressive and serviceable citizenship.
To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
To cooperate in equating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and good-will.
To attain velocity cut out verbosity.
It is a sad fact that we have developed machinery faster than we have developed men.

WINSTON CLUB GUEST OF MOUNT AIRY KIWANIANS

Program Friday Night Will be in Charge Of Camel City Members—Plans For Large Gathering.

"We'll all be there," is the word that has come from Winston-Salem Kiwanis Club in response to an invitation from the Mount Airy Club to lunch with us Friday evening. And now its up to the local membership to come out and show our neighbors the interest that we have in our club.

J. W. Lovell, chairman of the inter-city relations committee, has all plans in shape for the occasion and on arrival of the guests the meeting will be turned over to them and they will have charge of the program.

Gibson Davis will have a musical program fitting to the occasion, including selections by the orchestra and chorus club.

Every member should make it a special point to attend this meeting.

Listen To Geo.

If the other fellow has a smile to sell, be sure you have the smile that buys it. Don't think a Kiwanis meeting is a dumping ground for a lot of personal worries. Let's perk up and get the best of our meetings.

A new idea is like exercise. It makes you sore at first, but eventually, when your system gets used to it, it will do you good.

Every time you hate a man your handicap is heavier. You cannot hate others and at the same time help yourself. Your mind is not strong enough to be spiteful and successful at the same time. Revenge ruins your reasoning faculties and one must be able to reason in order to achieve.

The world may be tolerant of the man without a purpose in life, but it's never proud of him. It will make way for the one who knows where he's going.

TRUTH

If the motto says 'Smile,' and you carry a frown

'Do it now,' and you linger and wait,

If the motto says 'Help,' and you trample men down,

If the motto says 'Love,' and you hate,

You won't get away with the mottoes you stall,

For Truth will come forth with a bounce.

It isn't the motto that hangs on the wall,

But the motto you LIVE that counts!

Prosperity Rests On Ideals.

In the final analysis the outlook for business and finance in 1927 depends not merely upon tangible and material forces that can be measured by statistics, but perhaps even more fully upon intangible and immaterial forces, such as courage, optimism, energy, aggressiveness, fair-play, and service, which Kiwanis International is doing much to develop, and encourage. In other words, if every merchant manufacturer, banker and investor throughout the country lived up to Kiwanis ideals there is little doubt but what the prosperity of the Nation during the coming year and all the other years ahead, would be enormously enhanced.

Ralph B. Wilson.

SMILE

Life is long, and things go wrong

And lunch is often bad;

But I believe when others grieve

The way to make them glad

Is not to groan and weep along—

To pull the fellow through

Just wear a smile, just laugh awhile,

And make him laugh with you!

Young Man Dies Of Hydrophobia.

Erwin, Feb. 3.—Elam Dudley, 22, bridegroom of two months, died here this afternoon with what local physicians diagnosed as hydrophobia. He was stricken yesterday afternoon.

The young man, according to the three local physicians, died a horrible death. He was bitten, it was said about a year ago by a cat, but paid little attention to the wound at the time.

Tuesday afternoon he was suddenly stricken with a malady which at first baffled the physicians. Developments led the doctors to believe that the young man had contracted hydrophobia.

George Washington's breakfast consisted of three small corn cakes with honey and three dishes of tea.

YOU
You are the fellow that has to decide Whether you'll do it or toss it aside. You are the fellow who makes up your mind Whether you'll lead or will linger behind, Whether you'll try for the goal that's afar, Or be contented to stay where you are. Take it or leave it, here's something to do, Just think it over, it's all up to you!

Kiwanis Thoughts.

The progress of civilization is a wonderful thing. To-day most of us figure that with the coming of 1927

we have turned over a new leaf. Take the Kiwanis club for instance. Here we are with new officers at ostra and we begin to plan on starting out with a new page in the record book. A year from now we may be wondering what we did with 1927, but right now we have the blank page before us and a rather indefinite notion of what we will be able to write thereon. That is why we will need to map out our course for the coming year.

Business standards mean the same in business life that good sportsmanship means in athletics. All of us believe in good sportsmanship. You do not approve of a dirty football player, you do not approve of a golf

player who will forget a stroke or two. More and more every day the business men of this country are applying the rules of good sportsmanship to the conduct of their business. They are playing the game on the square. The good sportsman is unselfish and thoughtful of his fellow player; if a good sportsman in athletics, why not in that greater game—the game of business?

Real Kiwanis education consists in training its members to action. It is doing things that life's most difficult problems are solved.

Kiwanis is the submerging of personal selfishness in an effort to do the most good for the greatest number.
