GREAT WORLD FLEET IN CHINESE WATERS

Shanghai Has Biggest Array of Alien Ships of Any Port in World.

Shanghai, China, April 10.—China's troubles have brought together in Chinese waters the greatest international naval concentration ever seen in the orient for the protection of foreign lives and interest.

Shanghai presents today a greater array of foreign fighting craft, flying the flags of eight non-Chinese nations, than any other port in the world. There are 172 fighting ships in Chinese waters besides 300 odd naval auxiliaries such as transports, colliers, tugs and similar vessels.

The nations represented by this great armada are the United States, Great Britain, Japan, France, Italy, Spain, Portugal and the Netherlands. In command are eight admirals, three American, three British, one Japanese and one French.

Admiral Clarence S. Williams, commander-in-chief of the United States Asiatic fleet, is the senior officer of the fleet. The other American admirals are Rear Admiral Henry H. Hough, commanding the Yangtze patrol, and Rear Admiral John R. Blakely, commanding the third light cruiser division consisting of the Richmond, Marblehead and Cincinnati.

The British admirals are Vice Admiral Sir Reginald Tyrwhitt, Rear Admiral W. H. P. Boye and Rear Admiral John E. Cameron, Rear Admiral Araki is in command of the Japanese forces and Rear Admiral Basiere of the French forces.

The lineup of the fighting ships is as follows: Great Britain, 76; Japan, 49; United States, 30; France, 10; Italy, 4; Spain, 1; Portugal, 1; Netherlands, 1.

45 Warships At Shanghai. Forty-five of these vessels are concentrated at Shanghai where all eight nations are represented; forty-six are patrolling the Yangtze river and the remainder are standing by at coast ports, including a British concentration of 14 ships at Hong-kong or on mobile duty.

The great armada of foreign ships does not include any capital vessels, but contains some of the world's most modern and efficient light cruisers, notably the American third light cruiser division under Rear Admiral Blakely. The British first and fifth cruiser squadrons, totalling 13 vessels, are modern, speedy and heavily armed ships, of which the most effective are the Hawkins, Vice Admiral Tyrwhitt's flag ship, and the Forbisher, which is at Honkong.

Husband Plants Liquor in Car of Estranged Wife.

Statesville, April 7.—The two sisters who were arrested Saturday on the highway near here with ten fruit jars filled with booze in their car—Mrs. Emma Davis, of High Point, and Mrs. Grace Chappell, formerly of Alexander county—appeared in recorder's court and entered a plea of not guilty of transporting and possessing liquor. They were, however, found guilty, but prayer for judgment was continued until next Monday.

The two young women allege that Mrs. Chappell's husband, Clifford Chappell, was responsible for the liquor and caused the arrest of the young women for transporting liquor, after he had placed it in the car and asked them to accommodate him by conveying the package. Chappell as his wife had recently become estranged, it is said.

A warrant was served on Clifford Chappell late Monday afternoon on Boulevard, charging him with handling the liquor in question. He was placed in jail in default of a \$500 bond for his appearance in the recorder's court next Monday morning.

Notice. Under a deed of trust executed by S. S. White to me as trustee for A. D. Folger to secure a note for \$700 a part of which is past due and unpaid at the request of the holder of the note I will offer for sale at public auction to the highest bidder for cash at the court house door in Dobson on the 23rd day of April, 1927 at one o'clock P.
