Twin Float Automatic Oil Level

Greatest Invention of The Day.

Here are a few of the many advantages of the new 1927 twin float SOL-HOT.

- It's wickless.
- Needs no adjustment of oil level.
- Has two feed tubes to burner well—generates quicker—no other brooder in town has this feature.
- Oil container can be placed wherever desired.
- Oil container holds two gallons—made of metal—not glass.
- Only one adjust for operator that's to raise or lower flame.
- Ready for immediate use when delivered—no adjusting.
- Improved strainer in oil container can instantly be cleaned and is adapted to present day kerosene.
- Valve setting cannot be changed by chicks.

COME IN AND SEE THIS WONDERFUL BROODER ON DISPLAY AT OUR STORE, WE HAVE YOUR SIZE
