FOOT SLIPPED

That TITLE sounds INTERESTING enough for a SCENARIO, but we have a HUNCH that it was OUR foot that SLIPPED last week when we PROPOSED to INJECT some PEP into our ADVERTISING. It's not so much what to SAY as what NOT to say that has us up a TREE. We could make these ads INTERESTING just by SPILLING what we know about some PEOPLE and it would be MORE interesting for US when they got WIND of it. This BUSINESS of being LITERARY is the BUNK and if we just TELL you about NORRIS CANDY which a LOTTA customers are buying that OUGHT to be interesting ENOUGH.

Moral: Your foot wont slip any in buying NORRIS CANDY at this store.
