TERRIBLE PAIN
Mrs. Cox Quite Well as Now And Pleased With Cardui.

Mrs. W. M. Cox, 120 Church Street, Chester, S. C. says:
"I suffered awfully... I would have a terrible pain at times; I could hardly stand it. I slept badly; my rest was disturbed and I seemed to get little benefit from it."
"I read about Cardui in the papers and thought it might be a good thing for me, so I began taking it. I was so pleased with the way it improved that I kept on taking it until I felt quite well. Cardui helped me so much and so many people have remarked about my improvement."
"Cardui has been used and recommended by thousands of other women, for over 45 years. Try it."

RESOLUTIONS
Whereas, Hon. N. A. Townsend, Judge presiding at our June Term, 1927, of Surry Superior Court, has completed his labors here as presiding Judge; and
Whereas, the members of the Surry County Bar desire to give expression to their approval of the manner in which the Court has been presided over,
Now, therefore, be it resolved by the Surry County Bar Association:
That the members of the Association and all the lawyers attending and having business in the Court attest to the eminent ability of Judge Townsend, to his uniform fairness and impartiality in all cases. He has revealed a profound knowledge of the law, displayed unusual ability in his position as presiding Judge and has been both fair and courteous to all lawyers and litigants and to the officers of the Court. His charges to the jury have been clear, full and all that could be asked or expected in the trial of all causes, and altogether this has been one of the most satisfactorily conducted Courts from the standpoint of the Judge's performance of his duties we have witnessed.
That the members of the Bar of Surry County and those in attendance upon the Court do now extend to Judge Townsend their heartiest thanks for his fair, impartial and courteous treatment of all having business in the Court and sincerely trust that he may be soon again able to return and as often as circumstances will allow preside over future terms of the Courts of Surry County.
That copies of these Resolutions be furnished Judge Townsend, a copy given to the press and a copy retained among the files of the Surry County Bar Association.
Unanimously adopted, this July 8, 1927.
W. F. CARTER, Chairman.
Attest: GEORGE K. SNOW.

Crop Conditions Better in the Siltom Section.
Mount, July 8.—Mr. and Mrs. Weaver Bank, of Winston-Salem, spent Monday afternoon the guest of Mrs. Bank's sister, Mrs. H. T. Fincham, of this place.
Friends gathered at the home of S. H. Hill a resident of the Crackerneck section Monday night to hear Mr. Dewey and Mr. Frym, two musicians, who are going to make records for a record company. Mr. Frym is a fine violin player while Dewey is a fine guitar player. The players played several good songs. About 30 were present and appreciated the music.
The revival meeting will begin at Mount Zion Church, which is located near Arnsb, Sunday, July 16. Rev. Will McCarter, of Mount Airy, will assist the pastor, Rev. Mr. Burrus, of Boonville, in the meeting. They are expecting a great revival.
Troy Whitaker, a steward in a hotel at Gastonia is spending a few days with his parents, Mr. and Mrs. H. G. Whitaker, of this place.
Misses Eva Snow and Frankie Reeves, of this place, spent the fourth the guest of Miss Rebecca Miller, of Elkin.
The revival meeting will begin at Hills Grove Baptist Church, Sunday night, July 24. Rev. Alex Collins, of Mount Airy, will assist the pastor, Rev. George Oakley, of Mount Airy, in the meeting. Also the Loyal Volunteer Band will work day and night filling their duties during the meetings. We are expecting a great meeting. Everybody invited. Come! Large rains fell here Friday afternoon. Land was washed badly in some places, but the farmers sure did appreciate the rain, as it was needed. The crops were not growing well. The tobacco was blooming in some places, but where the tobacco is on a branch or river it is looking very nicely. A farmer reported the other day that the tobacco was growing fine down in Crackerneck, especially where it is near the Ararat river or its tributaries, the corn is also looking good.
