We Didn't Hire Him!

A young man was in here yesterday APPLYING for a job as BOOK-KEEPER, and not that we NEEDED one but JUST out of CURIOSITY we asked him if he knew the DOUBLE-ENTRY system, and he said he could do BETTER than that as at the LAST place he worked he had to TRIPLE-ENTRY, one set for the ACTIVE partner showing the REAL profits, one set for the SILENT partner showing SMALL profits and one for the INCOME TAX collector showing NO profits. He even offered to do a FOURTH set for the BANK showing extra LARGE profits; maybe we made a MISTAKE by not HIRING him.

MORAL: If you folks will just buy enough of our delicious ice cream these hot days we won't need any but the first set.
