### WHAT DO YOU KNOW ABOUT KIWANIS?

**Friday Night the Members Will Be Put Through a Quiz - Be Prepared.**

How much do you know about Kiwanis? Or rather, how little do you know about it? That is a question that will be determined to a certain degree at the meeting Friday evening at Charlie Andrew's eating house. And Grover says the winner in the contest will be awarded a handsome prize, while Charlie will have prepared to serve the first one who is "knocked down" a nice helping of chicken necks and backs for his luncheon.

A questionnaire is being prepared by the committee, and an oral examination of the members will be held. Of course George and Grover won't know all the answers themselves, but they are preparing them in writing so they can determine the winner.

The program committee unwittingly let out a few of the questions that will be asked and the ones that were secured are published below:

- What is Kiwanis?
- What is its Motto?
- Where organized?
- When organized?
- Name its International presidents?
- Who is now International president?
- How many districts are there?
- Who are our district officers?
- What voice has this club in International?
- What voice has this club in the district?
- How many clubs in International?
- How many clubs in this district?
- How many members in International?
- How many members in our club?
- What International contests are held annually?
- What has this club done to justify its existence?
- When was the Kiwanis Club of Mount Airy organized?
- Who was its first president?
- Who was its first secretary?
- How many past presidents? Name them.
- How many members were charter members?
- How many "Good Will" tours has this club sponsored?
- How many road signs has this club put up?
- What has this club done for the "Underprivileged Child"?
- What has this club done for the farming industry in our community and county?
- How many baldheaded members has this club?
- Who is the most dignified bachelor in the club?
- What member has the largest family?
- How many unmarried members has the club? Name them.
- What is Grover Lovill's favorite song?
- Who is the tallest member? The shortest? The heaviest? The smallest?
- What important county organization is headed by Billy Sydnor.

Some men are so busy beginning things that they have no time to finish anything.
