MUST YOU SUFFER WITH SOUR STOMACH

Discovers The Secret---It's VEGO

Your neighborhood druggist is sometimes your best friend, he will advise you in the absence of your family physician and such was the case of Mrs. W. T. Ray, Wilsonville, Ala., who had suffered years with nervous indigestion.

"There always seemed to be a lump in my stomach and the gas and sourness was terrible. I could not rest well at nights, but would roll and toss about. Due to irregular bowel movements and improper elimination my kidneys were shot to pieces. My druggist advised that I try Vego and I wish to go on record as saying that it is the best medicine for constipation, indigestion, gas on the stomach and disorders caused by these troubles I have ever found. Vego has made a new woman of me. I do not feel all worn out at the end of the day. I would not be without Vego."

Why not profit by the experience of others. Every day dozens are telling of the benefits they have derived from its use. If you are not satisfied after using it, your druggist will cheerfully refund your money.

DULL, LISTLESS

Made Bright, Energetic By Black-Draught, Says Gadsden Lady.

"Ever since I have known about Black-Draught," says Mrs. Della Mayben, of Gadsden, Ala., "it has been my regular standby for indigestion and constipation."

"I first used Black-Draught fourteen years ago. At that time, I was suffering with a bad case of swelling across my abdomen. Every bite I ate disagreed with me, and I had very severe headaches."

"I decided to try Black-Draught. I was truly astonished at the quick relief. In a few days, I began to feel like a different woman. Instead of being dull and listless, I began to feel bright and energetic."

"From that time on, I have rarely been without a box of Black-Draught in my house."
