

**News of Brim Route Two**

Brim, R. F. D., No. 2.—The farmers of this section are very much discouraged with the sale of tobacco. A revival meeting began last Sunday at Mt. Herman Church, Rev. C. A. Morrison, the pastor conducting the series of services. We hope to accomplish much during the next two weeks. Every one should cooperate with Mr. Morrison. He has done so much good all over his pastoral work, and we all are proud of him, and will be very much disappointed if the Bishop don't send him to us next year. Mr. and Mrs. D. C. White of this section have just returned home from Coalwood and Bartley, West Virginia where they have been visiting Mr. White's brothers, Mr. H. A. Mabe and Bud White. S. L. Boles and Mrs. Sarah Pace were united in marriage Oct. 1st at

the home of the bride. Claude Rogers, son of Mr. and Mrs. G. E. Rogers, is attending school this year at Buffalo Ridge, Va. Miss Ada Hendricks has left her home on this route to spend the winter in West Virginia with relatives, where she will attend school. Mrs. Alice White and family have returned from a visit to Amelia County, Va., where they have been visiting relatives. James Pike of Martinsville, Va., spent last week end with his mother Mrs. R. T. Heaton. Bud Bishop has returned to Norfolk, W. Va., where he has been working for some time. Miss Wavie Lawson of this route, is visiting her brother at Norfolk and Montcalm, W. Va.

**Add 88 More Miles To State System of Highways**  
Raleigh, Oct. 19.—The state highway commissioners today added a total of 88 miles to the highway system and awarded contracts to low bidders on 11 projects on which bids were received Tuesday. Additional projects included a road from Graham to Pittsboro and from Graham to Chapel Hill. The first road will open up the southern part of Orange and Alamance counties affording them an outlet to the south without following route number 10 as it swings northward through Hillsboro and Durham. Two delegations appeared before the commissioners from Craven county asking that the roads already on the system in that county be improved instead of adding new ones and a delegation from the Junior Order asking that the state take over the

four miles from the Junior Order orphanage at Lexington to the state highway. Roads added to the state system: Pender county from route 66 to Moore's Creek battleground, about 4 1-2 miles. Brunswick county, from Supply to the South Carolina line, 30 miles. New Hanover from Wilmington to Carolina Beach 12 miles. Alamance and Chatham counties, Graham to Pittsboro, 35 miles. Alamance and Orange counties, Graham to Chapel Hill, 20 miles. **Grace Moravian Church** REV. C. D. CROUCH, Pastor. Sunday School ..... 9:45 A. M. Morning Worship ..... 11:00 A. M.
