DR. GAINES ANSWERS PROTEST FROM GASTON

College Could Hardly Tell Students They Could Not Have Al Smith Club

Wake Forest, March 29.—The following statement was released to the press tonight through Dean D. B. Bryan. President Gaines was compelled to cancel a speaking engagement in the western part of the state on account of a severe attack of influenza. Immediately upon his return he, against the advice of his physician, spoke briefly to the students in chapel and later dictated the attached letter in response to resolutions offered by the ministers of the Gaston County Baptist association. President Gaines continues confined to his bed. His statement:

"To the ministers of the Gaston County Baptist association:

"Gentlemen: I have received a resolution adopted by you on March 26 protesting against the organization of an Al Smith club among our students. Because of my genuine desire that you, as Baptist leaders and friends of this college, shall be informed of the exact facts, I am submitting to each of you this statement.

"The facts. For a long time Wake Forest students have organized in election years little political clubs expressing preference for various candidates. These organizations have been regarded as means of stimulating interest in current affairs and thus of inspiring an aggressive civic impulse, for which Wake Forest men have been well and favorably known. This year we have some of these clubs including a Republican club and a Gardner club. No one has ever been sponsored by the faculty or has ever represented college sentiment as a whole. The Al Smith club is composed of about 30 students, a small proportion of our enrollment of 740. These members are mainly law students. All of them are mature men and some of them are licensed attorneys. There is no ministerial student in this club and the president of the student body is not a member. This club, like our other clubs, will not engage in campaigning over the state at large or at other colleges.

"The policy. As a Baptist college, representing the denomination which has stood strongly for absolute political liberty and has opposed any dictation of church to state, Wake Forest could hardly say to its students, 'You may have a club for this man, but not for that man; you may discuss the man who is favored by the faculty and by many friends, but you must not discuss the man who is opposed by these.' Such a policy would not be the political tolerance which has always been the pride of our people. Such a policy, moreover, would probably result in making heroes or martyrs of the group who favored the candidate not acceptable to the majority, and the natural reaction would be greatly to the benefit of that candidate. I hope this statement clears the situation. If there should be anything further you wish to say, I shall be at all times happy to receive your comment.

"Cordially yours,
"F. P. GAINES."

Cedar of Lebanon Uprooted By High Wind at Salisbury

Salisbury, March 30.—High winds at times during last night and today have kept nervous Salisbury folks on noddles, but little damage has been done. A Cedar of Lebanon was uprooted at the home of Mrs. F. J. Murdoch. This remarkable tree was brought from the Holy Land in 1860 and has attracted attention and interest all these years.

Notice Trustee's Sale of Land

By virtue of authority vested in the undersigned trustee in a certain deed of trust executed by John H. Moore and wife Annie Moore to the undersigned trustee for the Bank of Mount Airy, executed the 11th day of Feb. 1927, and recorded in the office of the Register of Deeds of Surry County, N. C., book 104 page 212, to secure an indebtedness of \$56.25, default having been made in the payment of the indebtedness therein secured and at the request of the holder, I will sell, on the premises, at public auction, on the following terms: One fourth cash, and the balance in one, two and three years.

Saturday, April 7th, 1928, at one o'clock P. M., the following described real estate: Beginning in David Hall's line at Lum Easter's corner and runs South with Easter's line 210 feet to a planted rock; thence East 150 feet to a small white oak; thence North 210 feet to David Hall's corner; thence West with Hall's line 150 feet to the beginning. Second lot beginning at a rock Nichols' corner and runs south with Phillip Snow's line 1-3 deg. var. 2.53 chs. to a wire fence; thence S. 89 deg. east with the fence 2.25 chs. to a rock; thence north 1-4 deg. var. 2.60 chs. to a white oak near the house; thence north 36 1-2 deg. W. 2.25 chs. to the beginning. See book 50 page 80. Book 81 page 107. Book 87 page 304 book 82 page 189.

Sale made to satisfy an indebtedness of \$56.25 principal, interest and cost of sale to add.
This is the 5th day of Mar. 1928.
Edw. M. Linville, Trustee.

News of Route 1

Mount Airy, Route 1, April 4.—Peggy Sue, little year old child of Mr. and Mrs. Geo. Welch, Bannertown died of measles and pneumonia Saturday. Services were held from Bannertown Church Sunday at 2 o'clock by the Rev. Mr. Morton. Interment followed at Hollow Springs.

Mrs. Jim Lowe has entered Martin hospital for treatment.

Misses Percy and Ethel Cook, students Mitchell College, Statesville will spend Easter with home folks.

Hollow Springs school closes Saturday with a program beginning at 1 o'clock P. M.

National Theatre Presents Varied Program For Easter Week

Monday being Easter Monday, Mgr. Pearce has selected the popular star Norma Shearer in a charming picture "After Midnight" for the main attraction. More than five hundred taxicabs are used in a single sequence in filming "After Midnight" and many unusual scenes are enacted in Monta Bell's personal directed Metro-Goldwyn Production.

Tuesday—Thomas Meighan in "Blind Alleys" is the main attraction being a Paramount Picture and considered as good as any Meighan has made recently.

Wednesday and Thursday. As many folks pick up a good book and read it over again so has the public everywhere patronized the return showing of "The Big Parade" at the popular price it is now being offered to theatre-goers. While many war pictures have been produced in the past not one has ever given universal appeal as has this picture. The love theme in the story of the great World War is near perfect, and being the story of a native son Laurence Stallings this picture has become popular in the Carolina's overnight.

Friday, "Wolf's Clothing" with Monte Blue and Patsy Ruth Miller based on the story of Arthur Somers Roche, guarantees action, love, and mystery.

"The King of the Jungle" chapter play that has given many patrons a thrill and held interest for several weeks will be shown as also will a Pathe Comedy, "Young Hollywood" which is a film made of the daughters and sons of the famous actors of Hollywood, among them being Douglas Fairbanks, Jr., who takes a prominent part.

Saturday, Jack Hoxie the fast moving western character will be shown in "Back Fire," Charlie Chaplin in "Shoulder Arms" a three reel comedy which is one of the best short subjects this comedian has ever made.

A Felix cartoon comedy also is shown on this day. Every day the added short subjects are shown and on Mondays, Wednesdays and Saturdays, The National Jazz Orchestra plays during the short features.

The management is striving to give every patron just what is desired in better pictures and service and wishes to thank the public for their hearty response in making this possible by the attendance which has been very satisfactory.

SYSTEM CHOKED

Texas Was Helped by Use of Black-Draught.

Mr. James W. Burnett, who lives on Rural Route No. 4, Whitney, Texas is a great believer in Theodor's Black-Draught for the relief of such common ills as indigestion and constipation. He writes:

"Since I first found out about Black-Draught, I have never been without it in the house. For several years, I had been a sufferer with indigestion. Occasionally, my system would become thoroughly choked with poison, and I would have a real sick spell. Now I ward them off by being forehanded, and taking Black-Draught before they come. Instead of after."

"We all use Black-Draught in our home, for constipation and indigestion."

Get a package today, and try Theodor's Black-Draught the next time you are constipated. Sold everywhere. One sent a free.

Why not select Cement?

WHEN you know the advantages of using concrete masonry units for your new house, garage or other building, you properly insist on that type of construction. But these units are no better than the cement that goes into them.

For over twenty years Security Portland Cement has been used for concrete masonry units, imparting to them all the qualities of permanence, fire-safety and economy which make them so desirable. When you build with concrete masonry units, be sure they are made with Security. Wherever Portland Cement is used, Security will serve you well.

Reduce your overhead-expense on Cotton

The cost of plowing, planting, chopping, cultivating and poisoning is about the same for a low yield as for a high-producing acre. A small investment in 75 to 150 lbs. of

Leunasalpeter

(Ammonium—Sulphate—Nitrate)
26% Nitrogen — 31.5% Ammonia

per acre will greatly boost the yield and reduce the labor cost per bale of cotton! LEUNASALPETER costs less per unit of phosphorus too, as it supplies nitrate and ammonia at the cost of ammonium alone. Made by the world's largest nitrogen producer. For sale by dealers everywhere.
