

Republican Landslide Nation to County

Hoover 40 States Leaving Only Eight For Smith

North Carolina's Goes to Hoover

Closing tabulations of Tuesday's election have continued to reinforce the tremendous popular vote by which Herbert Hoover and Charles Curtis have amassed majorities in states having 444 electoral units and left Alfred E. Smith and Joe T. Robinson leading in others having only 37.

The late returns have served only to emphasize the immensity of the Republican sweep that embraced the entire west and most of the east and also extended into four traditionally Democratic states of the south—Virginia, North Carolina, Florida and Texas.

With less than a scattered quarter of the nation's precincts remaining uncounted the Hoover majorities have rolled up in 46 states, Smith held the lead in eight others, six of them in the south and two in the east Massachusetts and Rhode Island. Only Alabama, Georgia, South Carolina, Mississippi, Arkansas and Louisiana in Dixie remained definitely under the Democratic banner.

When more than three quarters of the popular vote had been counted to a total exceeding 30,000,000, Hoover was pulling away from Smith with a margin of approximately 5,000,000. By the same mandate with which it selected a Republican administration the electorate likewise increased that party's majorities in the two houses of congress and gave Republicans a lead in most of the 34 gubernatorial contests.

Following a trend established early on election night, the Hoover advantage swung steadily along in every section of the country. It soon brought from Governor Smith a concession of his defeat to be following by his announcement that after a quarter of a century in politics he expected never to run for office again.

Expressing his gratitude to those who supported his cause, the governor said the "American people have rendered their decision; I am a Democrat and I firmly believe in the rule of the majority."

Charlotte, Nov. 7.—Herbert Hoover carried North Carolina for President by a majority of approximately 25,000, figures compiled at tabulation headquarters here tonight indicated. With 818 of the state's 1,783 precincts missing Hoover was leading Governor Alfred E. Smith by 28,292 with the possibility that this might be decreased slightly by later returns.

The vote in 1,435 precincts as unofficially tabulated was Hoover 274,674; Smith 245,062.

The majority shown by the state Democratic ticket, however, continued ed mount as returns came in slowly from all sections of the state. At 10 o'clock tonight 871 of the state's 1,783 precincts had been reported. They showed O. Max Gardner, Demo-

The figures for the balance of the state ticket followed those for governor.

Only a few scattering returns had been received up to tonight on the three constitutional amendments voted on in the election Tuesday. They were so few that no tabulation had been made tonight. Only five counties had reported.

Jonas Forges Ahead

With one Republican definitely shown by unofficial tabulation to have been elected to Congress, the fate of five Democratic candidates, including four incumbents, still was in the balance tonight with figures on these races coming in very slowly.

Charles A. Jonas, of Lincolnton, Republican national committeeman was elected over Major A. L. Bulwinkle, Democrat, incumbent in the ninth district by a majority of around 2,000 votes, unofficial tabulations showed. The vote from 217 of the 238 precincts in the district showed Jonas has 46,890 votes and Bulwinkle 44,482.

In the tenth district Congressman Zebulon Weaver was leading by approximately 2,000 votes in the 147 precincts tabulated but unofficial majorities reported without figures indicated a possibility that G. R. Pritchard, Republican, had defeated him by about 300 votes. Eighty three precincts all but a few in isolated mountain counties were unreported as to the actual vote. The vote in 147 precincts was Weaver 34,188; Pritchard 32,260.

Congressman R. A. Doughton was leading W. S. Bogle by 1,000 votes in 87 of the 160 precincts of the eighth district reported, the vote being Doughton 22,473; Bogle 21,550. The unreported precincts, like those in the tenth, are in the mountains and probably will not be heard from until tomorrow when the canvassing boards meet.

Hammer Has Big Lead

In the seventh, William C. Hammer, Democratic incumbent, led A. I. Ferree by 9,400 votes in 100 precincts reporting. The remaining 131 precincts are largely in two heavy Republican counties and two Democratic counties that cast a comparatively small vote. The vote for Hammer 17,434; Ferree 8,056.

Charles M. Stedman, Democratic incumbent, in the fifth was 2,900 ahead of J. E. Harden, Republican, in 117 of the 236 precincts in the district. There were, however, five counties, unrepresented in the tabulations. The vote was Stedman 29,113; Harden 26,273.

Death Claims Popular Citizen

Mr. John Leitch, one of the most substantial citizens of this city, died at his home near the quarry last Friday night after an illness of several months. Mr. Leitch was enjoying his usual good health until he had to undergo an operation a few weeks ago and since that time he has gradually weakened until the end. He came to this city 30 years ago as a stone worker and was one of the pioneer workers at the granite quarry where he worked practically all the period of his residence here and saw it grow from a very small concern until it is today the largest of its kind in the nation.

For years Mr. Leitch was in charge of the pay roll of the quarry and his intimate touch with the large number of workmen will be greatly missed by them. He was a member of the Masonic fraternity from his youth and was active in several branches of the order. At one time he was master of Granite Lodge and held other offices in the lodge during his long years of membership.

The funeral was conducted Sunday morning at the Presbyterian Church at Flat Rock by the pastor assisted by Revs. J. H. Carter of Taylorsville and Geo. W. Lee of Winston-Salem. The service at the grave was conducted by the Masons.

Surviving the deceased are his widow, one daughter and three sons.

Republicans Carry Surry Solid By Big Majority

The Democratic ticket all down the line suffered defeat in this county Tuesday and next first Monday the county of Surry goes into the hands of Republicans after being managed by the Democrats for six years. No one realized that the overwhelming majority obtained by the Republican ticket would ever come to pass. And Surry's vote is liable to contribute to the defeat of Major Stedman. Compilers of the vote for Congressmen in this district stated that the Major would go in if Surry did not go more than 1,000 against him, but the official vote tabulated at Dobson today gave his opponent, Harding, a majority of 1899. This is expected to defeat him. If it does North Carolina may send three and possibly four Republican Congressmen to Washington. The state is Democratic by a reduced majority and Hoover's majority, now placed at 25,000 in the state is gradually increasing as the rural vote comes in. Surry gave Hoover a majority of 3363 against Coolidge's majority of 513 four years ago.

The following vote was taken from the official count as canvassed at Dobson today, Thursday:
