FROM RALEIGH.

CRAWFORD BEATEN. BUXTON PROBABLY DEFEATED.

New York, Ohio and Maryland Go Republican. McKinley Sweeps The Country. Landslide for Simmons—Gets 50,000 Over Carr.

Raleigh, Nov. 6.—Bellamy, Dem., re-elected to congress in sixth district by an overwhelming majority. Bryan's majority in the State estimated at 25,000.

In the Democratic primary for U. S. senator, Simmons defeated Carr by large majority.

Raleigh, Nov. 6.—Advices received up to 8:30 p. m., states fair weather prevailed, and the day passed quietly with light vote in many precincts.

Raleigh, Nov. 6, 11 p. m.—New York city, it is reported, gives McKinley 35,000 and New York state 135,000.

Simmons was serenaded tonight and given an ovation by citizens. Mr. Simmons appears to have at least 40,000 majority. He tells me it will be between 40,000 and 50,000. Congratulations are pouring in upon him, besides a rush of personal congratulations.

Col. Carr said today, while here, that he had 15,000 majority, but news comes from Durham that early in the afternoon his manager conceded defeat.

McKinley's election seems to be conceded by about same majority as before. The New York World says all indications point to this.

The Laffan Press service says McKinley carries Maryland and Baltimore.

A negro voted here in the senatorial primary—the only one in the State known to have voted. He voted for Carr. Raleigh gave Simmons 255 net majority. Twelve precincts out of 24 outside of Raleigh in Wake county give Simmons 95 majority.

At 10 o'clock tonight National Committeeman Josephus Daniels said to me: "North Carolina has given Bryan not less than 30,000 majority. Crawford seems beaten in the ninth district, and Buxton in great doubt in the eighth with chances against him. All other Democratic candidates elected."

"Carr has carried very few counties—only Mecklenburg, Union, Orange, Durham and Granville as far as known. There is a landslide for Simmons. It looks like 50,000 majority. I have never had any doubt he would get 40,000. "McKinley seems to have swept the country."

The New York Sun says McKinley carried New York state by 150,000. He carries Ohio by 50,000.

The Republican vote fell off sharply in Massachusetts.

From the mass of telegrams received by Mr. Simmons' manager the following majorities for him are compiled: Burke 200, Carteret 900, Cleveland 1,600, Craven 1,600, Cumberland 500, Edgecombe 1,400, Forsyth 2,000, Franklin 1,000, Gaston 500, Halifax 400, Harnett 200, Iredell 600, Johnston 2,000, Nash 500, New Hanover 519, Pasquotank 600, Pitt 2,000, Richmond 500, Robeson 1,200, Rutherford 1,500, Vance 450, Wayne 1,500, Wilkes 1,800, Wilson 135. Carr carried Orange by 600.

Seven Democratic Congressmen.

Raleigh, Nov. 6.—Richmond, Mecklenburg, Lenoir and Union counties give Democratic majorities of 900 to 1,100. Cabarrus, Northampton and Perquim-

ans 300 to 500 Democratic majorities. Indications are that Bryan will carry the State by 40,000, and seven of the nine congressmen are Democratic by a large majority.

The eighth and ninth districts are in doubt. Simmons majority over Carr is nearly 50,000.

Kitchin Elected by 6,000 to 10,000. Goldsboro, Nov. 6.—Returns so far received from the district indicate Kitchin has 6,000 to 10,000 majority.

THE STATE.

Martin county solid for Simmons.

Halifax gives Simmons 350 majority. Union county gives Bryan 900 majority.

Pitt county 1,000 Democratic majority.

Durham county gives Carr 1,000 majority.

Chatham gave McKinley small majority. Simmons led Carr by 300.

Edgecombe majority will be for Bryan not less than 1,000 and Simmons 1,300. Granville county gave a Democratic majority of 800. Carr leads Simmons by 500.

Kitchin's majority in Halifax county will probably be 1,800. Bryan's majority will be about 1,500.

New Hanover gives Bryan 2,100, McKinley less than a hundred; Simmons 1,300 against 900 for Carr for senator.

Telephone message from Snow Hill says Greene county will give Bryan, Kitchin and Simmons majorities of over 500.

Hon. Francis D. Winston wires that Bertie county gives a majority for Bryan over 3,000, Kitchin over 1,000, Simmons over 1,200.

Stanly county gave Bryan 450 majority. Klutz received 500 over Holton, Republican, and Simmons' majority over Carr for the senate is 900.

Person, Stanley, Camden, Vance and Guilford counties give Democratic majorities of from 300 to 700. Anson county at least 1,000 Democratic majority. All above counties show 300 to 600 majority for Simmons, except Anson which gives Carr 25 to 50 majority.

This Means Two Democratic U. S. Senators.

Raleigh, Nov. 6.—The Democrats carry Delaware. This means the election of two Democratic senators.

It is stated at Simmons' headquarters that returns up to 11 o'clock show his majority to be 47,000. Carr didn't carry a county east of Raleigh, and it looks like Carr has only about 1,400 majority in 4th district.

The Republicans claim the state by at least 20,000.

Jones Concedes New York.

Chicago, Nov. 6.—Senator Jones at 8 o'clock tonight says: "The Republicans have carried New York. We have lost in the city and cannot make up our loss in the city outside of Greater New York. The Republicans are claiming Maryland and Ohio. I haven't the figures to dispute Maryland, nor have I sufficient advices from Ohio upon which to base an opinion."

Bryan Not Despaired.

Lincoln, Neb., Nov. 6.—Nebraska State Committeeman Dahlgren, who is very close to Mr. Bryan, says that while appearances are that New York and Illinois were lost, he does not by any means concede McKinley's election. He thinks other states may come to the rescue.

McKinley Receiving Congratulations.

Canton, O., Nov. 6.—President McKinley is beginning to receive congratulations on his re-election.

North Carolina under the new apportionment of 200,000 to a congressional district can hold its own—get 9 members. Kansas and Nebraska in the west would lose one each as would Virginia and Maine in the east.

Fayetteville Observer: There are rumors that the Ashley Bailey company are to erect another larger silk mill in this city adjoining the one already in operation. Though the company's manager here would not admit this fact when asked this morning, he stated that it was talked of.

Salisbury Truth-Index: While the tabernacle meeting was in progress yesterday morning the desire for salvation became so strong among the unconverted employees of the Salisbury cotton mill, that young men and women stopped work and went to praying among the spinning frames. Christian friends and fellow workmen prayed with them and pointed them to Christ. The machinery of the spinning room stopped altogether, and for about an hour and a half the mill's twenty thousand spindles rested while the spinners turned to God for salvation or sought to get their friends saved. Little knots and groups of young men and women could be seen all over the large spinning room, seriously talking, praying, and many of them shouting with joy of salvation. Scores were happily converted and many who had backslidden renewed their consecration to God. It was the conquest of prayer and personal work—an old time Methodist revival in which no denominations were known—and the good work still goes on.

The Schumann Concert Co.

The concert given under the auspices of the Valdosta Lyceum by the Schumann Concert Co., last Thursday night, was decidedly the best of all of the Lyceum entertainments, and as a musical event, was one of the very best that Valdosta has had. The program consisted of vocal music by Miss Grace Caborn, the cello by Miss Edith Adams, the harp by Miss Charlotte Tarrant, and dramatic readings by Miss Zulime Bolkeem. The musical features were of the highest class, every piece receiving an encore. Miss Caborn's voice has been splendidly trained and her selections were of the highest class, while Miss Tarrant created a splendid impression by her renditions on the harp. To many in the audience the feature of the evening were the dramatic selections by Miss Bolkeem. The selection from Ben Bur, the incident in a street car, and other pieces recited by her showed wonderful grace, sweeping from dramatic to comedy with perfect ease. The first of these pieces held the audience spellbound by its beauty, while the second kept the crowd laughing at the superb impersonation of the different characters in the car. The entertainment was good all the way through.—The Times, Valdosta, Ga.
