Mr. C. W. Porter, the blind piano tuner, will be in Kinston this week.

Sixteen additions to the M. E. church by certificate were announced Sunday.

Rev. J. R. Vaughan will deliver a temperance lecture in the Disciple church to-night.

On account of the Bryan speaking at Raleigh tomorrow and tomorrow night the A. & N. C. will sell tickets to Goldsboro and return for one first-class fare.

Dr. and Mrs. H. Johnson and children left for Goldsboro Sunday. Dr. Johnson will take a prospecting trip through the western states with a view of locating in that section.

Mr. C. M. Jordan is having a nice two-story eight-room residence erected on Lenoir street, in the tobacco section of town. Mr. Jordan is having the house built for his own use.

Messrs. N. J. Rouse, H. E. Shaw and L. C. Brogden have been appointed as a library committee by the graded school directors. The committee will appreciate contributions of books for the graded school library. Mr. H. E. Shaw has generously contributed a set of Chambers' Encyclopedia, 15 volumes.

Forty-eight applicants for attorneys' licenses were examined by the supreme court last week. Fifteen failed and thirty-three were granted license, among the successful ones being Mr. Emmett R. Wooten, the clever son of Sheriff J. C. Wooten, of Lenoir county. We congratulate our young townsman. He will practice law with Mr. T. C. Wooten.

We have heard it rumored for sometime that another passenger train would be put on the A. & N. C. R. R. Saturday's Newbern Journal says such a train is scheduled to be inaugurated in a short time; that it is virtually a daily passenger train between Goldsboro and Newbern. This train will be known as a fast freight. It will leave Goldsboro at 7:30 a. m., leaving after the arrival of the early train from the north. It will leave Newbern at 6 p. m., making the connections at Goldsboro that night with the northbound train. On this fast freight will be two new passenger coaches that have been ordered by the road. A number of new freight cars that have been ordered and are expected to arrive soon will add to the equipment rendered necessary by the increased service. On Sundays the train will run through to Morehead City and return.

THE
CRITERION
 Self-Playing
MUSIC BOX
\$6.00
 and upward.

Is the latest and most improved of all the Music Boxes with interchangeable Tune-Disks.

The piano cannot produce the richness attained by the CRITERION unless played by six or eight hands, and then the players must be experts. It is superior to every other make in tone and simplicity of construction. The durability you'll appreciate years from now, after inferior makes would have been worn out and useless. Disks are easily changed—they're practically indestructible.

Charming Home Entertainments may be arranged without notice if a CRITERION is in the parlor—dancing, singing, instrumental renderings—hymns and Church music, too.

SENT ON TRIAL on receipt of price. We will send the CRITERION on ten days' trial. You can return it, and get your money back, if not entirely satisfied. Write to
