WEDNESDAY EVENING, July 11, 1900.

The Oxford orphans give an entertainment at the opera house tonight.
 The Oxford Orphan asylum choir, composed of 18, arrived last night. Do not fail to attend the concert at the opera house tonight.

We are informed that Mess. H. G. and T. W. Gray have the lead in the finest crops of tobacco in Institute township. They put in the first barn July 9th.

Rev. D. H. Tuttle asks us to state that there will be no prayer meeting at the Methodist church tonight. He desires his members to hear and help the orphans.

Hon. Charles B. Aycock will speak at Goldsboro on Saturday, July 14. Special low rates on railroads are given for the occasion. An immense crowd is expected to attend.

The business session of the third quarterly conference for Kinston M. E. church will be held next Friday night at 8:30 o'clock by Rev. W. S. Rore, P. E., at the parsonage. All official members will please attend.

Register of Deeds W. D. Suggs has been sick several days and unable to attend to the duties of his office. Mess. Geo. L. Hodges and J. S. Bizzell are making out the tax list and attending to the other duties of the office.

There will be a meeting of the county Democratic executive committee at the court house in Kinston on Saturday, July 14. All members of this committee are urged to be present, as business of importance will come before it.

White men, Democrats, take notice! Just ten days from and including today in which to register for the coming August election. Former registration will not answer. Each voter must go, and in person be registered anew. Let no one who loves his State fail to attend to this important duty.

There will be a game of ball at the park here between LaGrange and Kinston on Friday afternoon, July 13, at 2:30 o'clock, sharp. Capt. Parks, of the LaGrange team, was here today and arranged for the game. He thinks, and his team thinks, that in a nine innings game they can beat Kinston, so the game will be called at 2:30 in order to give ample time to play nine innings before the 5:40 train.

Two colored women, Matilda Good and Lena Blount, of Newbern, came a day or two ago to visit Sarah Isler. This morning, while packing up, in preparation for returning home, a dress belonging to Sarah Isler found its way into the basket of Lena Blount. She was at the early train, intending to leave for Newbern, when Policeman Brinson arrested her. She claimed not to have any knowledge as to how the dress found its way into her basket. Upon recovering her dress, Sarah Isler decided not to prosecute, and on the costs being paid, Lena Blount was allowed to proceed on her way.

Mr. R. E. Pipkin, the successful excursion manager, will run his excursion from Wilmington to Norfolk, Washington and Baltimore on Tuesday, July 24th. The schedule is to leave Goldsboro at 11:30, so parties desiring to go on it from along the A. & N. C. railroad can leave the same day and make connection. The fare from Goldsboro to Norfolk and return is \$2.50, to Washington or Baltimore and return is \$5.50. The schedule gives three days and nights in Norfolk, or two days and one night in Washington or Baltimore. The A. & N. C. railroad will sell parties of 10 or more round trip tickets from Newbern, Kinston or LaGrange at one first-class fare. Cheap hotel rates have been secured.

Can You Afford to Be Without

A Refrigerator

such weather as this?

The principal reasons why you ought to buy a

Leonard Cleanable Refrigerator

are that it keeps things cold and pure, it uses little ice, it can be taken apart to be cleaned, it has AIR-TIGHT DOORS that remain so for years and years, and the prices are no more than the cheap makes.

Only a few LEONARD REFRIGERATORS left, so come early.
